Expressions

Throughout the year, there are many different expressions that pass over the faces of everyone here at Royal. "I remember in the volkswagon jam when I saw Tracey Mele's expression, I almost wet my pants!" stated Jan Grieser.

They are unique- one of a kind expressions remembered by the people who were able to catch a glimpse. "I remember Ginny McGinnis' face after she took the pillowcase off her face at the first pep rally. The reason she looked so funny was because she had claustrophobia and her face was really weird looking," exclaimed Mia Gilbert.

These expressions are what makes every moment memorable. "The look on Mike Cruz's face after he made the 38 yard field goal against Mira Costa, which we won 3-0, is unforgettable," remembers Eddie Couch.

Styles Of The 80's

Every year brings many fashions. This year mini skirts are back and knickers are in. Designer jeans are still very popular. A new style in shoes for girls are moccasins. "I think it's neat the way people dress, and do not care what people think of them," stated Janet Rollins.

Vans are still very stylish but there are many more wild patterns, such as Alicia Villasenor's checkered vans, and Denise Hendrickson's safari print vans. "It livens up the campus, it's a definite improvement," stated Monica Gossman. "I think it's neat the way people dress the way they want; this way everyone doesn't look alike," explained Melody Wilmont.

Every school year brings new and various styles in dress. As Laura Violette observed, "You can tell everyone is different."

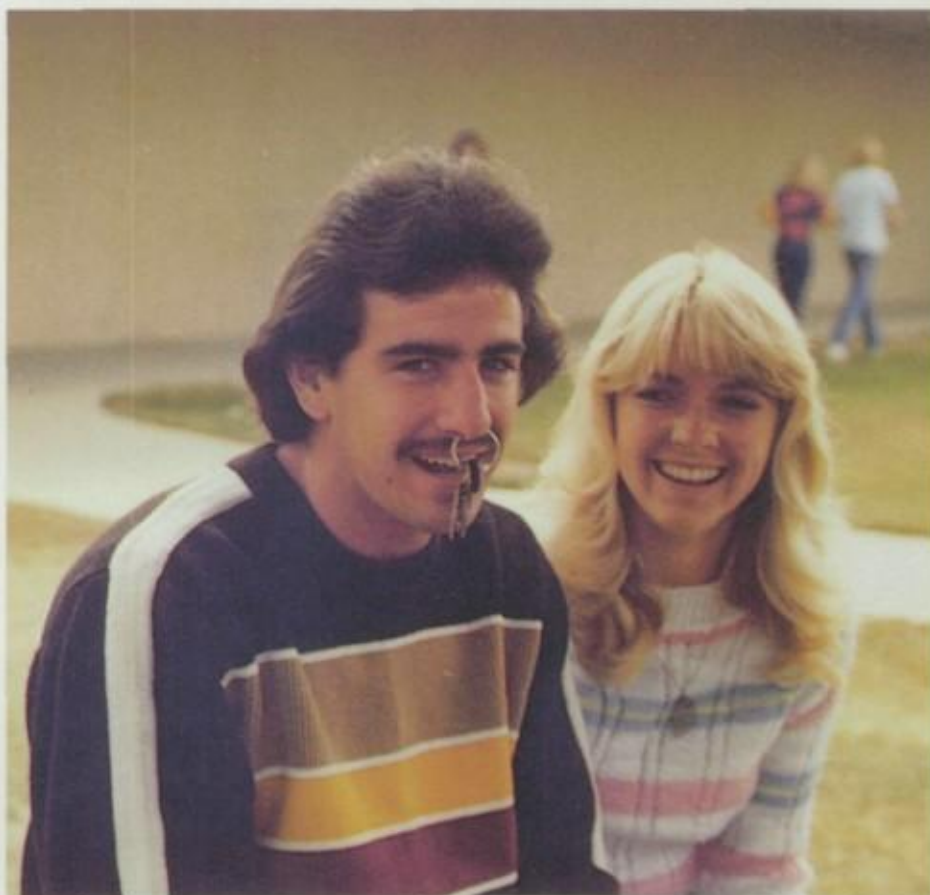

Together Forever

Friends and couples are very special people. Loved ones are your friends as well as lovers. Friends are caring and sharing whether they are near or far. Shawna McDevitt said, "A friend is someone you can trust, share your deepest thoughts and wildest dreams with."

"Friends are for sharing the good times as well as the bad," added Gary McDowell. Friends know your faults, yet they accept you as you are. They are the main thing in life. As Robin West says, "friendship is a closeness between one another, a special kind of love."

A.S.B. Cabinet

In the wake of an enthusiastic 1981-82 school year, this year's A.S.B. cabinet came in to the '82 term with high expectations for making this year even better than the last. And that is exactly what they did.

"The 1981-82 A.S.B. cabinet is the best that we have had in my three years. They are the most spirited and set up more activities to make the year the greatest that it has ever been," said Matt Quina.

This year's President is Randy Gallella. Other cabinet members include: Craig Rottman, Vice-President; Judy Novy, Secretary; Brenda Shores, Treasurer; Keith Peterson, Director of Student Services; and Bobby Chacon, Speaker of the House.

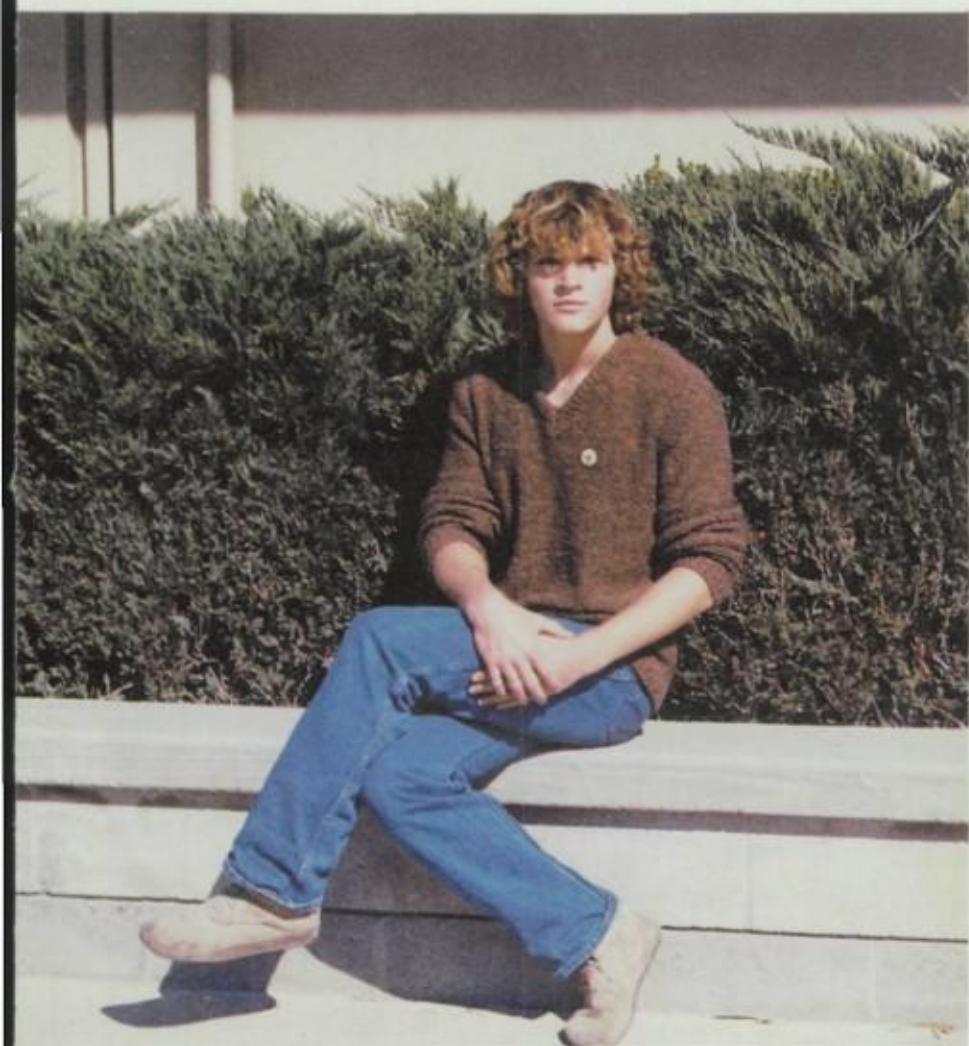

Bobbi Gillespie commented, "Our A.S.B. cabinet is a group of really neat people with wild ideas."

Under the direction of second year Activities Director, Drew Lobenstein, and with assistance from A.S.B. Bookkeeper, Lana Mardon, the six cabinet members worked diligently throughout the year planning activities for the entire Royal student body. The cabinet is also in charge of the school's financial status, including the dividing up of money between clubs and organizations and the balancing of the A.S.B. budget.

Brett Louis added, "The cabinet is doing a great job and I like the spirit they show at the football games."

Fun At Lunch

Class competition is a yearly event in which Seniors, Juniors, and Sophomores compete against one another for an accumulation of points. Royal had the most exciting, exhilarating and the most comical events of all time, which included a Volkswagen jam. Each class stuffed as many students into a car as they could. The winners were the Seniors who had a total of 23 students in a car. Juniors had 21 and Sophomores had 22. We asked some students what they thought of the Volkswagen jam?

Tammy Murphy said, "I met a lot of people and I felt like a sardine."

Lance Kreisman stated, "Crazy, I was getting hit all over the place."

Theresa Halle explained, "I was on the bottom, and was I scrunched!"

The second event was the obstacle course which included, students eating a banana, putting your face in gooey peanut butter, rolling in flour, and getting drenched by a hose. Now does that seem like fun? You bet! We then asked some more students what they liked best about the obstacle course?

Lynda Heinz laughed, "I loved it all but mostly I liked getting soaked."

Mark Haney stated, "The peanut butter all over my face."

Wanda Skinner said, "The rolling in the flour, because I felt like a ghost."

All the students agreed that this was the best competition yet, and was a great deal of fun.

Varoom Varoom

The students at Royal take a lot of pride in their cars. Many people, students and teachers included, are always washing, waxing and fixing up their cars. They love showing off their racey cars, trucks or vans. As Jeff Thompson said, "The feeling of pride, cranking some tunes and enjoying the feeling of freedom is what it is all about."

Driving a car is one of the most important things to a teenager in their high school days. Kris Murphey added, "When I get behind the wheel of my car, watch out because I feel like Mario Andrette."

Highlanders Achieve

At every school there are certain students who have some special abilities in certain areas. At Royal, we have some students that have this special ability in many different areas, such as, Performing Arts, Dance, Scholarship, and Sports.

"I think that our volleyball team is good enough to go all the way," stated Allan Paisius at the beginning of the year.

These students should be recognized for their effort, practice, and skill. "I think it's worth all the hard work for our winning team in swimming," explained Joanie Skelly.

Drill Team's Sue Moore stated, "I like it when Royal wins, especially because I know Simi High will know about it. All the practice is worth it."

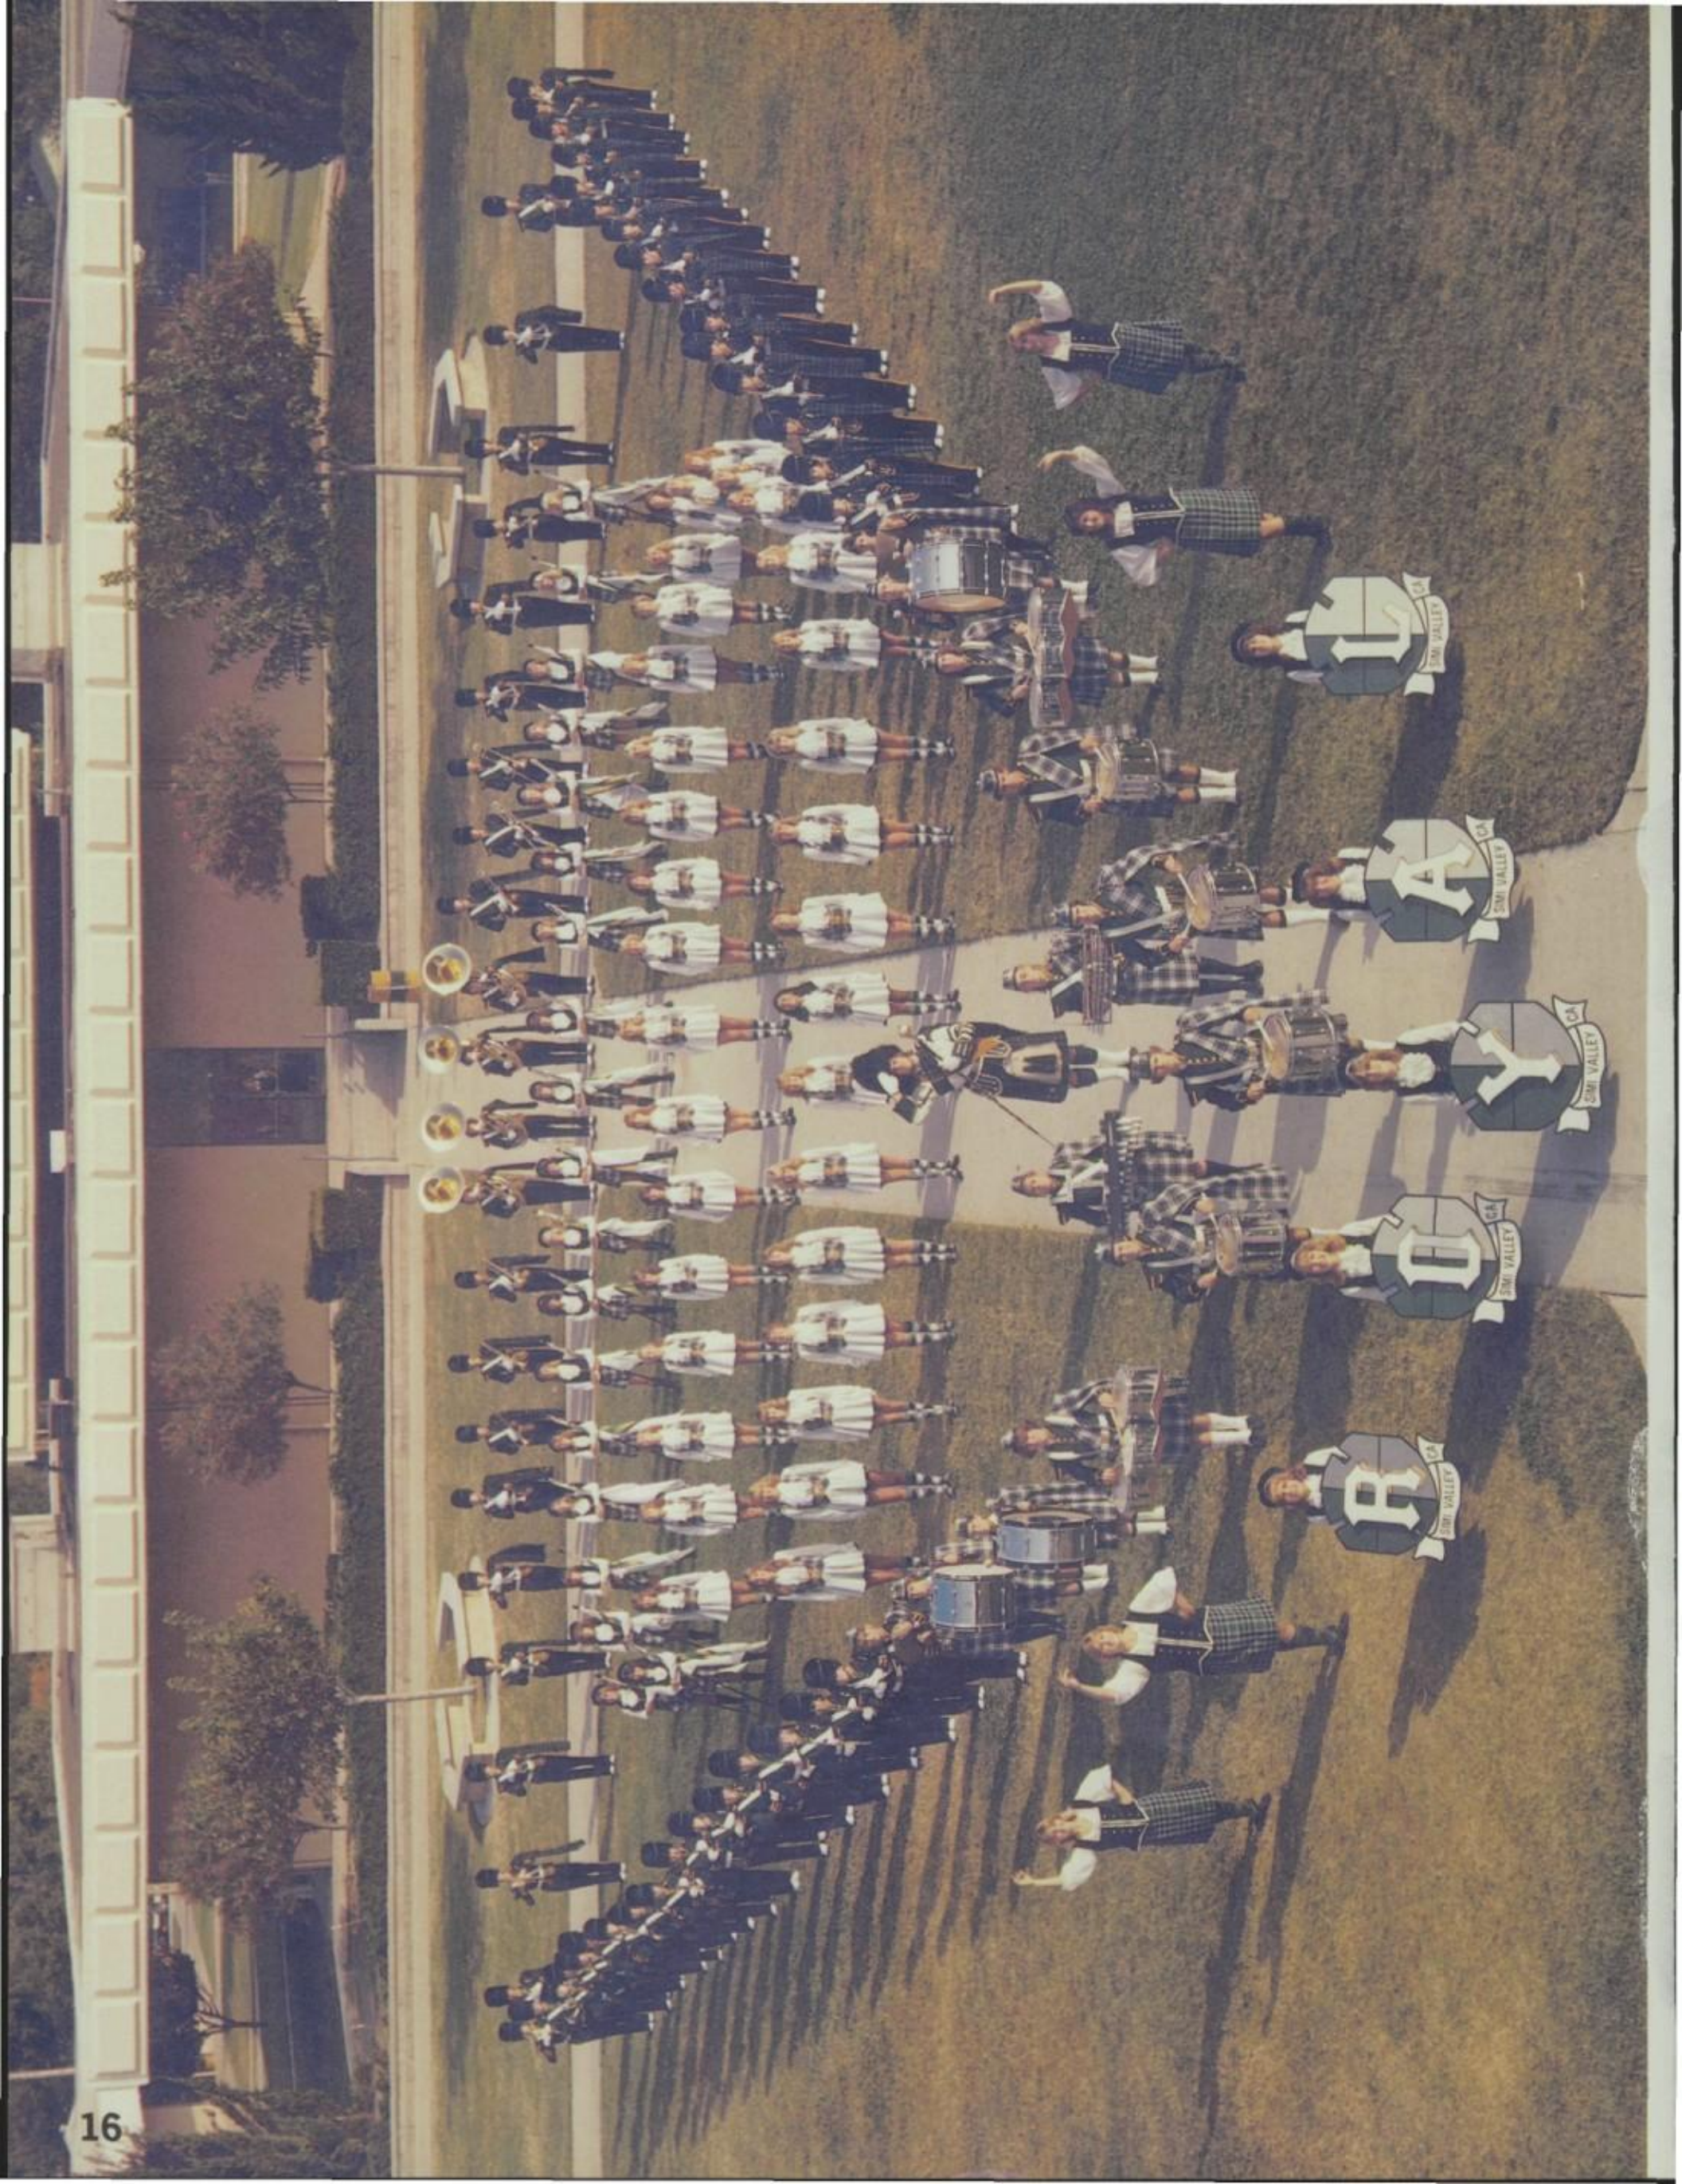

The Volleyball team has consistently won Marmonte League Championships over the past three years, and has led the Girls' sports year with a winning example.

The Swim Team is another team of champions whose picture was not available. Kari Watson was the captain for Girls' Team in '81 as was Harry Campbell for the Boys' Team. Steve Snyder is the team coach and he is assisted by Jim Owens.

Steve Richards, Joel Bellenson, Patrice Tobey, and Deanne Loomis were the National Merit Scholarship Semi-Finalists. They were the only students at both high schools to achieve this honor. They are eligible for many scholarships.

The Highland Brigade, pictured on the next page, won many awards and honors for Royal High School this past year. The band is led by Drum Major Tom Sheppard. Kim Krontz is the Drill Team Captain assisted by Tisha Harmon and Kathy Flores. The Pageantry Corps' Captain is Debbie Antillion. The directors of the Brigade are Sandy Chase, Barbara Hatton, and Paula Green, respectively.

Centerville,
Well this year
has come to an end.
This year went by so
fast. I guess that's the
way it goes. Anyway it's been
a lot of fun this year. I'm really
going to miss you all next year. I'll remember
you all next year when I'm in college. I hope
you have fun next year. Good luck in all of
your future plans. Most of all have fun this Summer!

The Class Of 1982

DEAR GERTIE,

I AM GOING TO MAKE A REALLY, REALLY, CRITICAL ANALYSIS OF YOUR BODY. YOUR HAIR IS LIKE LINGUINI. YOUR FACE IS LIKE A STRAWBERRY PANCAKE WITH WARTS. WELL I HAVE TO END IT RIGHT NOW BECAUSE I CAN'T LOOK AT YOU ANY LONGER. YOU'VE MADE THIS YEAR REALLY FUN AND I AM GLAD YOU'RE NOT LEAVING SO I COULD MAKE FUN OF YOU NEXT YEAR.

P.S. $3 \times 1 \frac{1}{2} \cdot 1 - 1 \frac{1}{2} = 2 \frac{1}{2} \div 4 \frac{1}{2}$

YOURS IN FAITH OF MY DAD,

Royal Rocks

The dances at Royal this year have been awesome. It started with the Welcome Back Dance. "I was glad to see all my friends that I have not seen since the summer," noted Jennifer DiConti.

The Homecoming Dance was a time for all the alumni to come back for some old memories and new memories for this year's Homecoming Court.

PaPa Do Run Run brought back memories of the Surfin' Sound for the Beach Simi Week. The dance was very successful because the music was so different from the other dances. Other bands played Punk Rock, New Wave, and good ol' Rock 'n Roll. Trisha Docherty commented, "I especially like the bands when they play New Wave."

LaDonna Coletto said, "I like going to the dances; it is something to do with my friends." That is true, too. Most Highlanders liked the majority of the dances this year. Sue Berry added, "I especially enjoyed the Winter Formal this year."

All-in-all, the dances had some wonderful memories for all.

Rockin' Thru The Ages

The theme of the Homecoming Parade this year was 'Rockin Thru The Ages.' The Junior Class officers were in charge of the parade along with the commissioners Sue Berry and Lance Kreisman. They did a good job, just as the other Juniors did who helped out, too. A lot of people got involved this year; it was a very spirited event.

Carla Desrosiers commented, "This was the best parade I have seen at Royal in my three years here."

Melanie Hull added, "I liked it better this year, because I got involved and was not just watching on the sidelines."

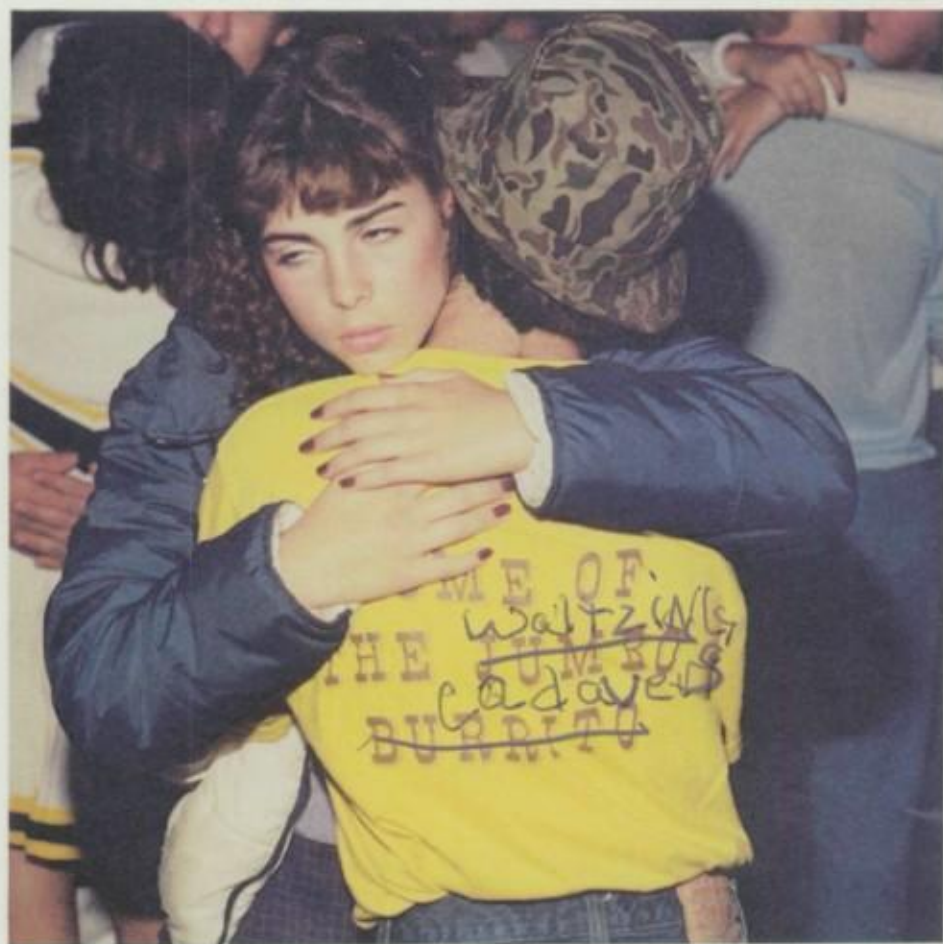

The Grand Marshall of the parade was G.W. McCoy from KIQQ.

Opposite page: Gino Thomas and Ariana Tunsley wish peace to all. Top right: Brian Tudor waves to the crowd. Bottom right: Jenny Engle, Maris Bates, Daria Shelby love Rock 'n Roll. Bottom left: The Plaid Truth's float rocks down the parade route.

Top Left: Ms. Sullivan tells Allison Watson that it is not so bad being a Sophomore, especially when their float won Sweepstakes. Top Right: Kit McCann and Sue Berry presented an award to G.W. McCoy who was Grand Marshall at homecoming parade. Bottom Left: Carl Moss and Cecilia Hajdo dance the night away at the homecoming dance.

Homecoming Activities

Junior class officers and commissioners organized all the activities during the week. Some of the activities included the big twister game in which Kim Posey stated, "I got all twisted around."

We also played musical chairs to the sound of Beatles music. This was a competition between classes. Karen Abel said, "I was going so fast I almost sat on somebody."

Float building was the night before the game and lots of students came to help their class or club make a special float. Most of the students there agreed it was a great deal of fun building the floats.

One of the most enjoyable things during homecoming is always the parade. It was a magnificent day for all. Sophomores won Sweepstakes for the best float. The Swim Team's float won most Spirited. That evening was the Homecoming football game. Then followed by a dance.

Debbie Marler exclaimed, "It was a fun week and I enjoyed all the different events!"

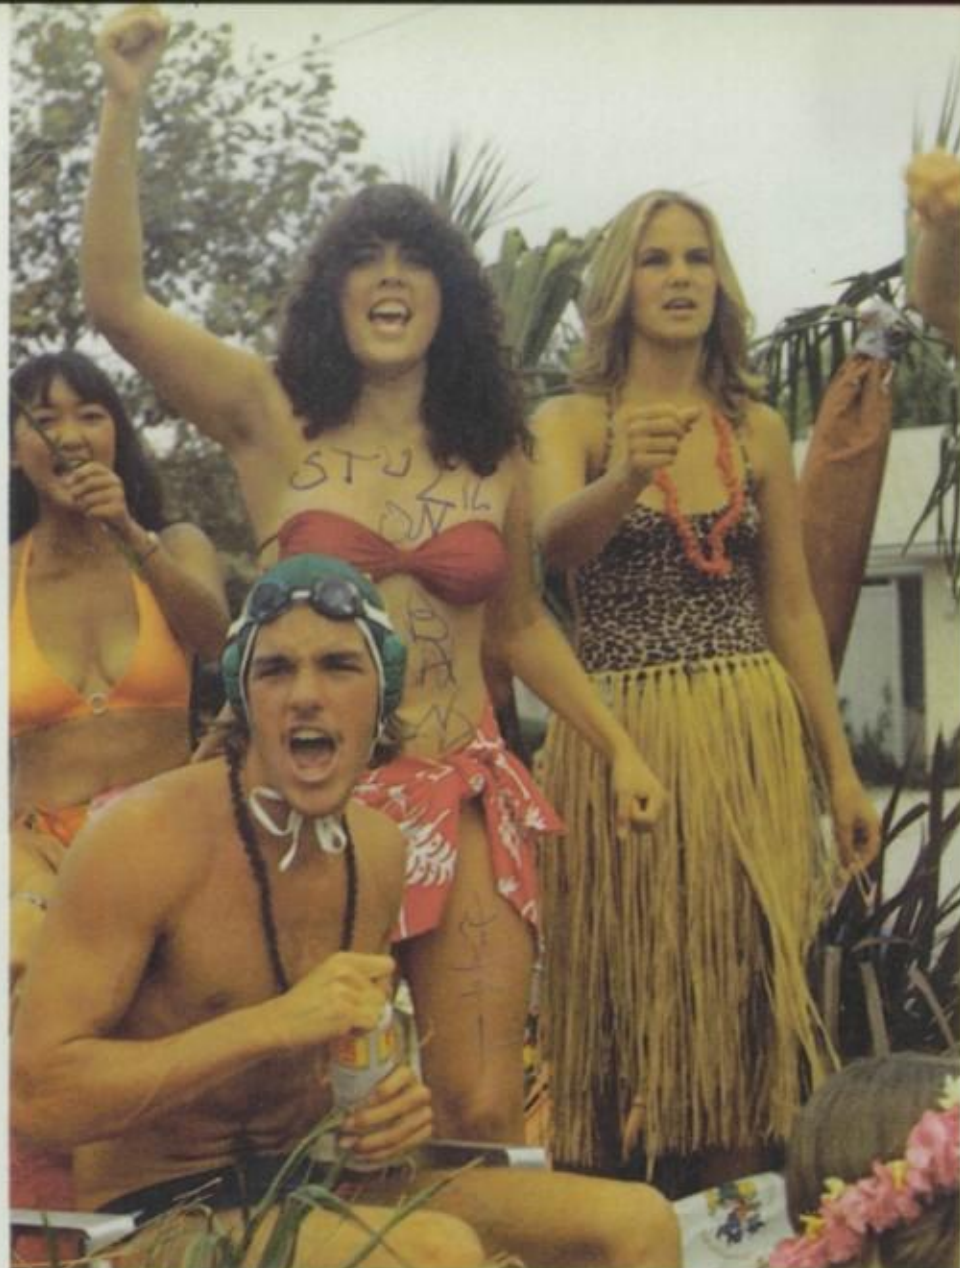

Highlanders Have Spirit

Football games, pep rallies, class competitions, and many other events are times when spirit is shown. At these games there is much yelling, clapping and a lot of enthusiasm shown. "Spirit is a time to have fun with your friends," said Lisa Axelrod.

In many events pride and spirit is was shown by many Highlanders. "Spirit is when people in the crowd are yelling and screaming at a football game when we are winning."

Spirit is more than just going to games and cheering. "Spirit is when everyone gets involved with all activities such as class competition, Beach Simi Week, and many more events," said Sue Berry.

Top Left: Terri Nelson and Marcie Neville show their spirit when they were initiated into Drill Team. Top Right: Erica Foster, Sue Henthorn, and Brooks Ayola cheer while on the swim team float. Bottom Right: Tom Ristau takes down Jesse Villafranca in the mud wrestling match. Opposite Page: Bobbi Gillespie and Pattie McCann show their spirit by dressing up and rooting on the Highlanders.

Beach Simi

Beach Simi was a week to build up spirit for the Royal-Simi game. The week started with arm wrestling on Monday, Tuesday, there was class competition which was an obstacle course. Dress-up "Beachy" was Wednesday with a Rootbeer chug-alug and an egg toss at lunch. Thursday was mud wrestling.

There was a carnival on Friday with cotton candy, a dunking booth, a marriage booth, and even a car smash.

At the dance everyone watched five senior football players get their heads shaved into mohawks. The five brave seniors were Tony Carson, Leroy Leyba, Robert Marti, Doug Miller, and Ron Thompson. The mohawks are a tradition with senior football players at Royal. The band Papa Doo Run played surf music all night. The dance was spectacular!

Then came the final day of our Beach Semi Week. Saturday, November 7, Royal vs. Simi - the game that determines who owns the valley and has the bragging rights. Royal took charge in the second quarter and held on until the end.

"Royal is like a family, A family that plays together, wins together." shouted senior defensive back, Tony Carson. Royal Beat Simi 20-0. It's Royal's Valley Again.

Seniors Have Class

This is the last year for the class of '82. Some activities that the Senior officers planned were the Senior Swim Party, Float Building for Homecoming, Senior Barbecue, Car Wash, Ice Cream Social, and Senior Prom.

Lisa Dowe stated, "I loved float building because I learned how to make paper flowers.

Senior functions happened at various times during the year to make the seniors have their last year the most unforgettable one ever.

We asked senior Chris Alteri what activities he was involved with and he replied, "I am involved in football, track and I like to participate in Senior functions.

It takes a lot of time to plan for these events. Terri Koonter, Senior Class Vice President, said, "A lot of time is spent but it's all worth it."

Danny Carpenter commented, "As a senior I am having a wonderful year and I have met a lot of nice people. The annual staff would like to wish the class of '82 luck in the future.

Top right: Jeff Whitt shows his spirit by helping paint signs for the Senior float. Bottom left: Sheri Bruton enjoys her hot dog during senior barbecue. Bottom right: Steve Richards races to the end to help Seniors in class competition. Opposite page: Spirited Seniors cheer on the homecoming float.

GAG!

Halloween

The spirit of Halloween hit the Highlanders with a blast. Excitement and laughs rambled throughout the campus. There were many costumes and different characters such as Raggedy Ann and Andy to even Martians.

Jill Stearns said, "I like most of the costumes but my favorite was Strawberry Shortcake."

Halloween is a day that you can dress up and just act crazy.

Kent Shannon commented, "I like to come to school on Halloween to see all the wild and crazy costumes."

Many students dress up on this special day to show their school spirit and they have a chance to get involved.

Carolyn Schade, a Highlander that dressed up for Halloween, commented "It was really neat and exciting dressing up for Halloween and coming to school to show my spirit." With all the people that dressed up for Halloween it just goes to show what a spirited group of people that go to Royal High.

Annual Staff

Many people think that the Annual Staff class is a real 'kick back' class, but it definitely is not! The annual staff has many deadlines that have to be met or the annual would not be delivered in June. The students really dedicate themselves to make a great pictorial and written history of the school year.

"We all have to work together as a team, we each have to do our job," Kim Adams commented. "I like working on the yearbook because I get to see how it is put together," Kim added.

"Pattie McCann quickly exclaimed, "I like to be able to see the football pictures when they first come in."

Much of the credit of organizing and guiding the members of the staff go to Editor Kit McCann and Assistant Editor Tracey Mele with Advisor Mrs. Hatton overseeing the whole production of the yearbook.

The Senior Class Officers have done an excellent job in providing a fun year for the Class of '82. Many functions throughout the year have happened. They were as follows: Senior Barbeque, Senior Swim Party, Ice Cream Social, Car Wash, and the Senior Prom. Congratulations Seniors for making the Senior Class of '82 the most unique year ever.

We asked some Seniors what they liked most about the year of 1982. Blake Aaron commented, "I liked all the Sports Activities that were planned by the Senior Class!". Friends Forever

We met years ago and we're
still going strong;

You lent a helping hand
when something went wrong.

Although we may depart and
go our separate ways!

Our friendship will remain
until our dying days.

I'll see you in the sun, when
it rains, and on the beach:

And I'll remember all the dreams
that we tried to reach.

We may never find what we're
looking for, but we shouldn't start to
worry;

For our lives have just begun,
and we're in no real great hurry.

Catch It Royal Athletes

Competitive sports teams are an important facet of school life. Over 700 students participated on Sophomore, Junior Varsity, and Varsity teams. Royal athletes fielded forty-one teams during this school year. These teams represent thousands of hours of practice, discipline, game competition, and dedication by the students and their coaches.

Competitive success means many things to many people.

Royal had competitive teams that made great achievements this year. The fact that not all the teams won the league championship or made the C.I.F. playoffs should never diminish all the hard work and intensity exhibited by the players. Royal High School has class, and all forty-one teams exhibited that class whether they won or lost. The student-athlete learned some important lessons of competition which include learning to work with other people, performing to one's best ability, and learning to win and lose with class.

Varsity Football

The 1981 Royal High School Varsity Football team ended their season with their third shutout.

"They've improved so much. They deserved to win," observed Sue Moore.

This year, the varsity football team has a new spirit of teamwork and a new head coach, Mr. Bob Mead.

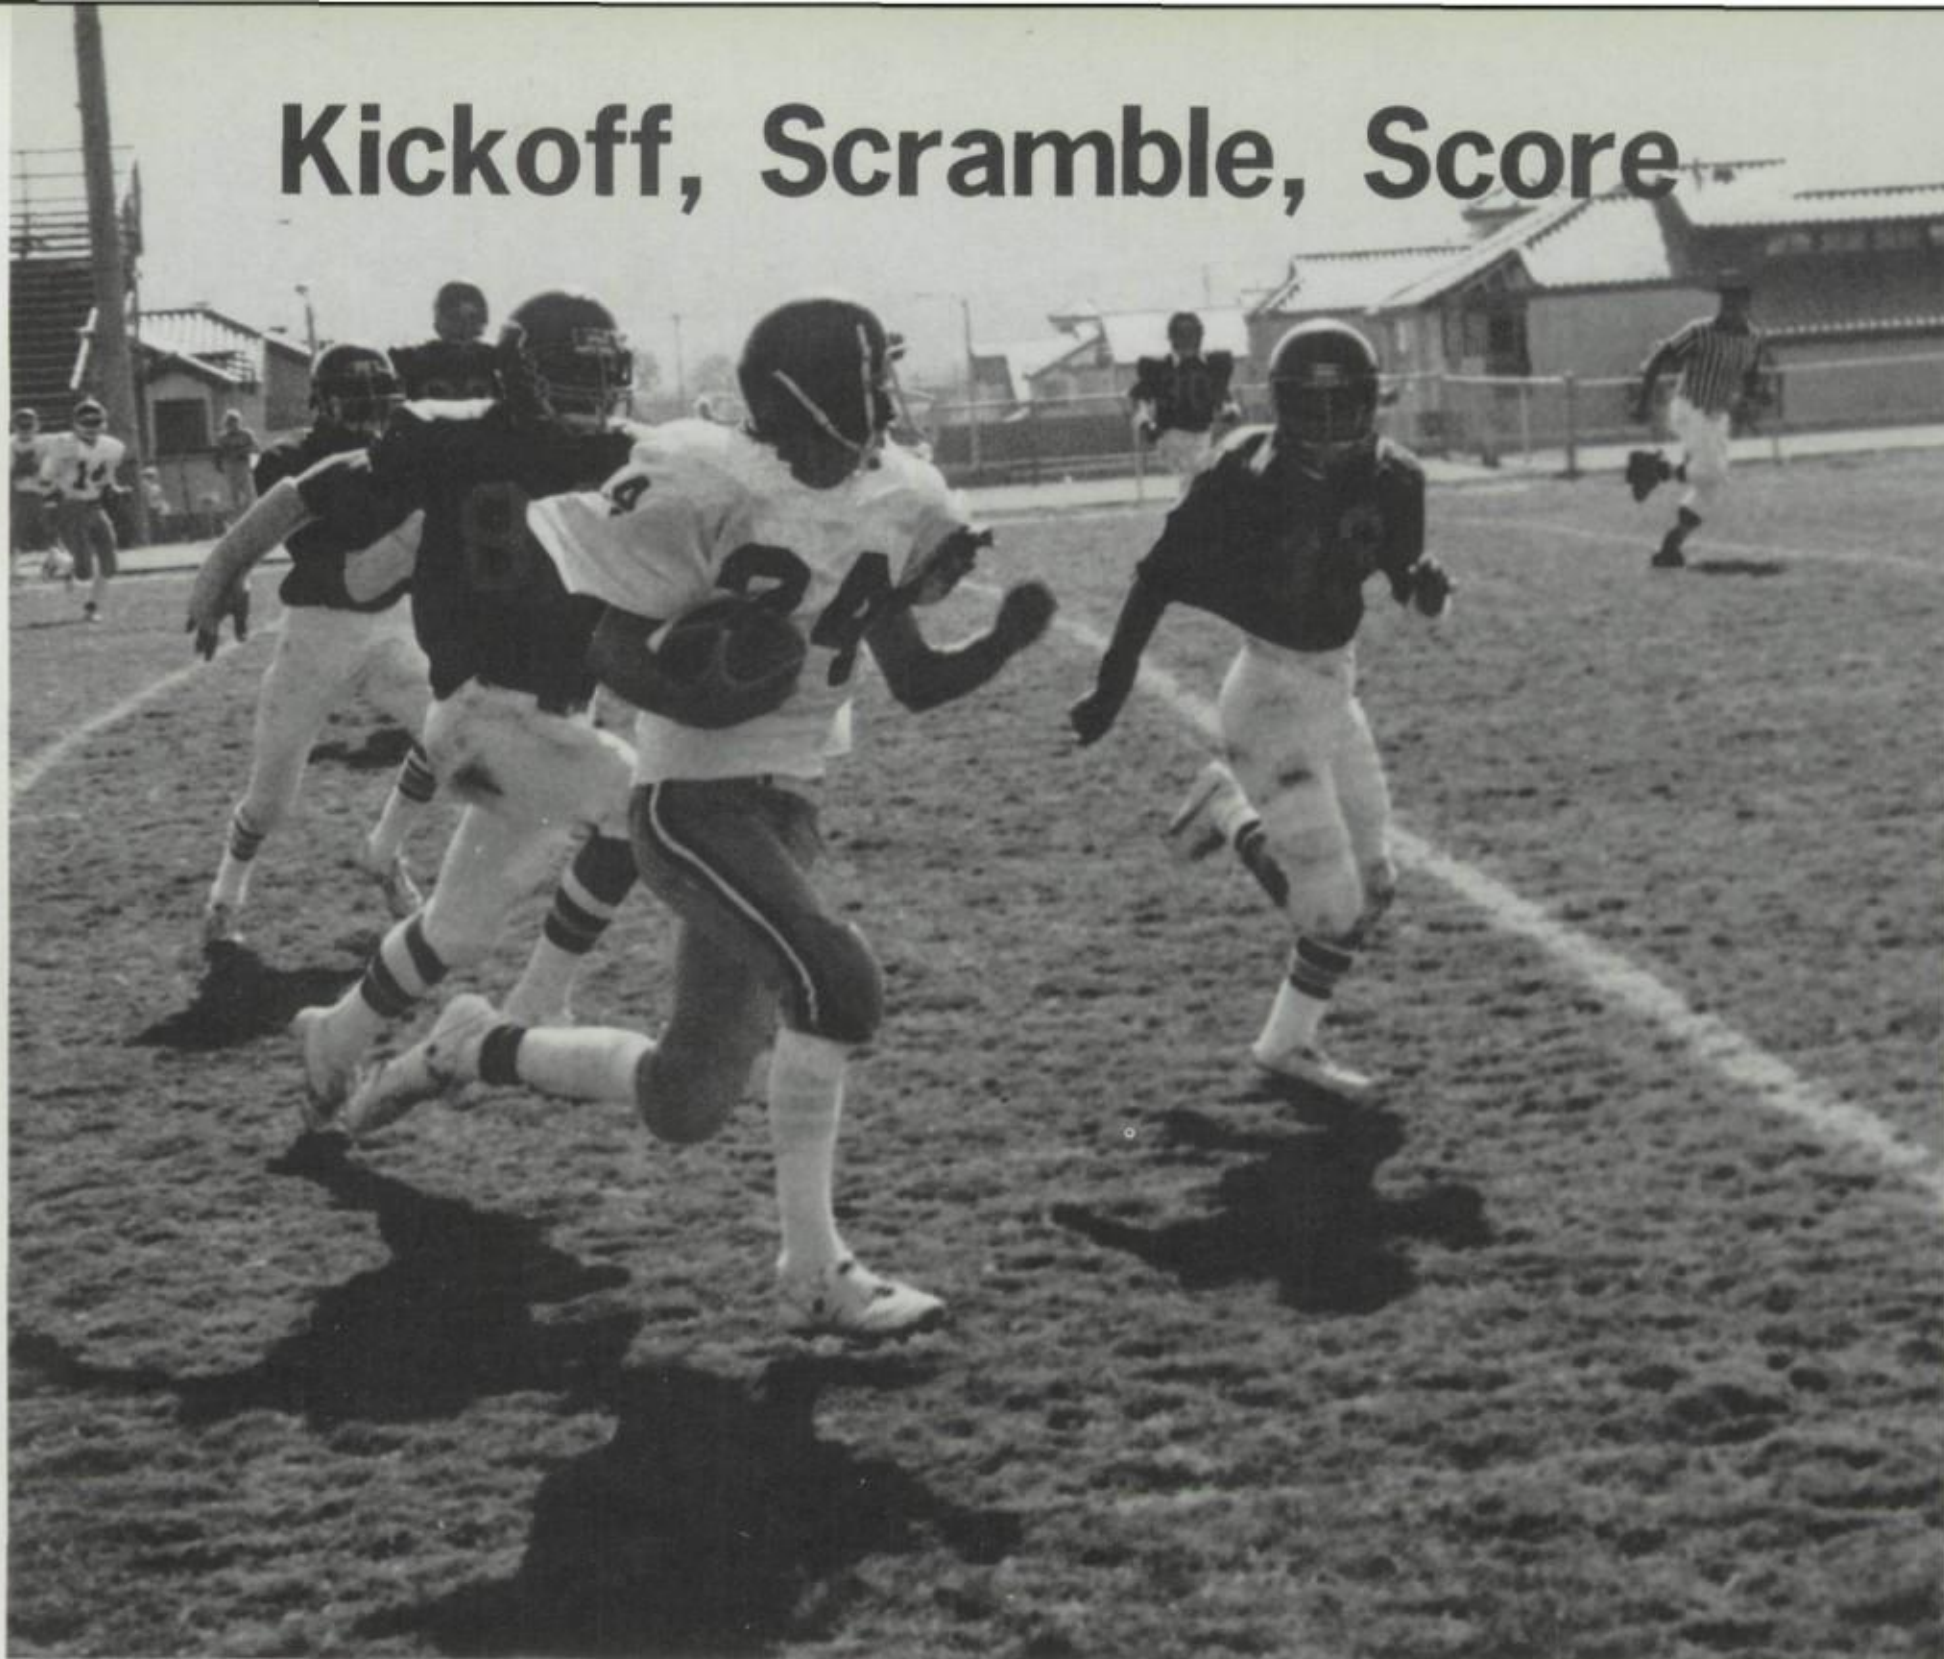

"We've got an excellent team, the best and most complete team we've had in years," commented Chris Altieri.

"We have a great team this year. The penalties are what hurt us," added Ron Rominger.

La Teresa Costello feels they've been playing very well and added, "They're a very rowdy team." No one could forget the rowdy game against Newbury Park. Royal beat the undefeated team in double overtime by a score of 37-36. Everyone will remember Royal's victory over Simi High by a score of 20-0.

"I didn't shave my head for nothing..." said Leroy Leyba and he jokingly added, "...but fuzz is fine."

Sophomore Football

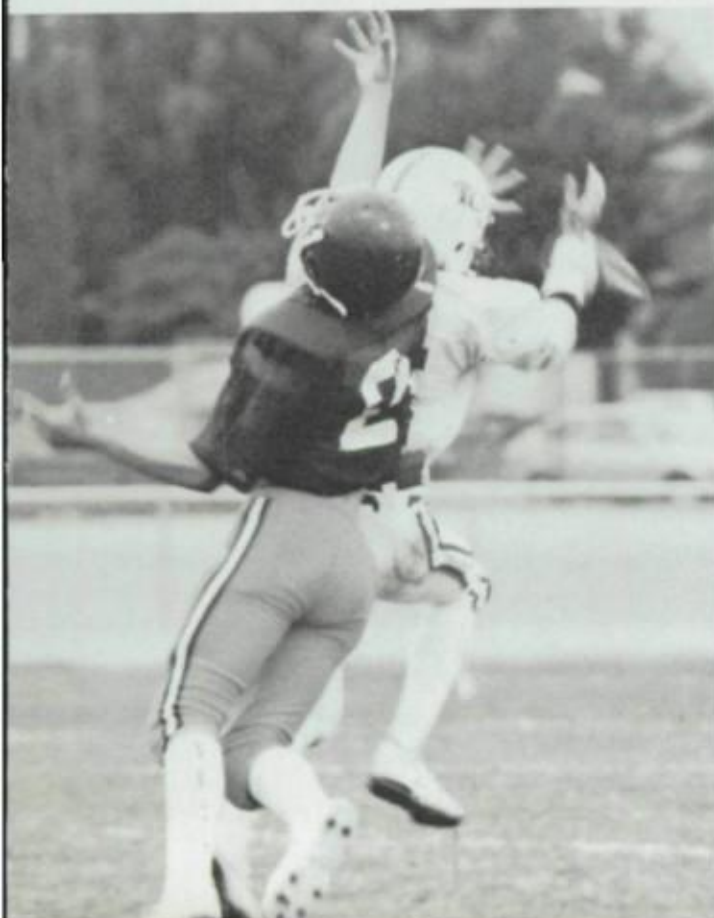

"They're all babes," replied Danielle Edwards when asked what she thinks about the 1981 Sophomore Football team.

Tina Lerno thinks they are, "...enthusiastic and rowdy. Their spirit shows by the way they perform in their games."

Jeff Hoover feels that their superior defense has greatly contributed to their success.

Tim Krebs agreed and added, "Our offense is strong this year, also."

The league champion team had an exceptional season with eight straight victories. Their win over Simi by a score of 20-0 was their third shutout of the season. The winning team's Quarterback, Paul Davis, stated, "We knew we'd beat Simi."

Varsity And Junior Varsity Cross Country

If there is one thing the Boys Cross Country team at Royal has, its consistency. The Varsity, Junior Varsity, and sophomore teams all came in fourth place in league. Also these teams sported the fourth best runner in the Marmonte League — Joe Brunet. The other Varsity members were team captain Tom Morrison, Most Improved Runner, John Schultz, and Jeff Pard, Louis Ibarra, Steve Dahlberg, Peter Mersino, Cary Bauer, and Derron Mc Masters. All the runners helped to contribute to the success of the team. To sum up the 1981 season, Connie Ohlrich says it all. "The Cross Country Team has the best looking and most muscular legs I have ever seen!"

Other team members who contributed to Royal's success were Mia Gilbert, Denise Hendrickson, Teri Brunet, Jocelyn Letney, and Daneen Morrison. A big congratulations goes out to Coach Clarke for coaching both the boys and girls team to victories. Kit McCann adds, "I feel that Coach Clarke did an AWESOME job this year, as always."

Varsity And Junior Varsity Tennis

Girl's Tennis has two new coaches this year, Mr. Middleton and Miss DeRenna. Due to the late start of the team there was no chance for practice matches. They played the maximum of twenty. Coaches Middleton and DeRenna felt that the team was coming together very well in the second half of the season. Varsity took fourth place, winning seven games and both games against our rival high school, Simi. Lisa Gerardi and Michelle Kellick were named Most Valuable varsity while J.V. went to Shawnda Brownell. Other awards were most dedicated, Nancy Wavra - Most Inspirational, Karen Able - Most Improved J.V., Lina Lanceloth. The coaches award went to Kathy McKenna and she shared the all League finals award with Dawn Silverburg.

Ginny McGinnis commented, "This was my first year out for tennis, it was a great year. I learned many things and had a lot of fun." Marisa Batis added, "I think this was the best year ever and we had fun being a team."

Varsity And Junior Varsity Water Polo

What a year for the 1981-1982 Royal High Waterpolo teams. For the first time in Royal High's history the varsity team advanced to the second round of C.I.F. Also for the first time in the Royal High, the Waterpolo team was the Marmonte League Champion by ending the season beating the defending League Champs, Thousand Oaks 9-8. The Junior Varsity team was undefeated for the second year. Royal High's waterpolo teams were certainly AWESOME!

Misty Downard exclaimed, "They certainly played like a team of CHAMPIONS!" Cathy Brancato said, "They made us very proud to have H²O Polo at Royal."

Marmonte League Champs!

This year's Basketball Team really showed what Royal can do. They demolished our arch-rival Simi High, two out of the three times that they played them. They played very tough teams. They played all the undefeated teams in Ventura County and Royal was the first and, in some cases, the only team that defeated them. They beat Buena, ending their 57 home game winning streak at the Bulldog's gym. It was a classic rags to riches story, with the girl cagers ending 6th place last year and improving to the top spot this year.

Congratulations Junior Varsity Girls Basketball, for a job well done! It was practice, dedication, and self-discipline that made the team work. Every game played was a good game, the girls always gave it their best shot. The highlight of the season was when the girls beat our arch rival, Simi High, both times that they played them. They ended a very successful season with a 17-2 record made all the hard work worth it.

Varsity Basketball

Varsity

The Varsity Basketball team did a sensational job this season. Their strong improvement was well worked for. Many hard hours were spent working for a good game. The most exciting and suspenseful game of the season was the Simi-Royal game. Many students attended this exciting game. The game was very close and the players all did an excellent job. We all thank the Varsity Boys Basketball team for a job well done.

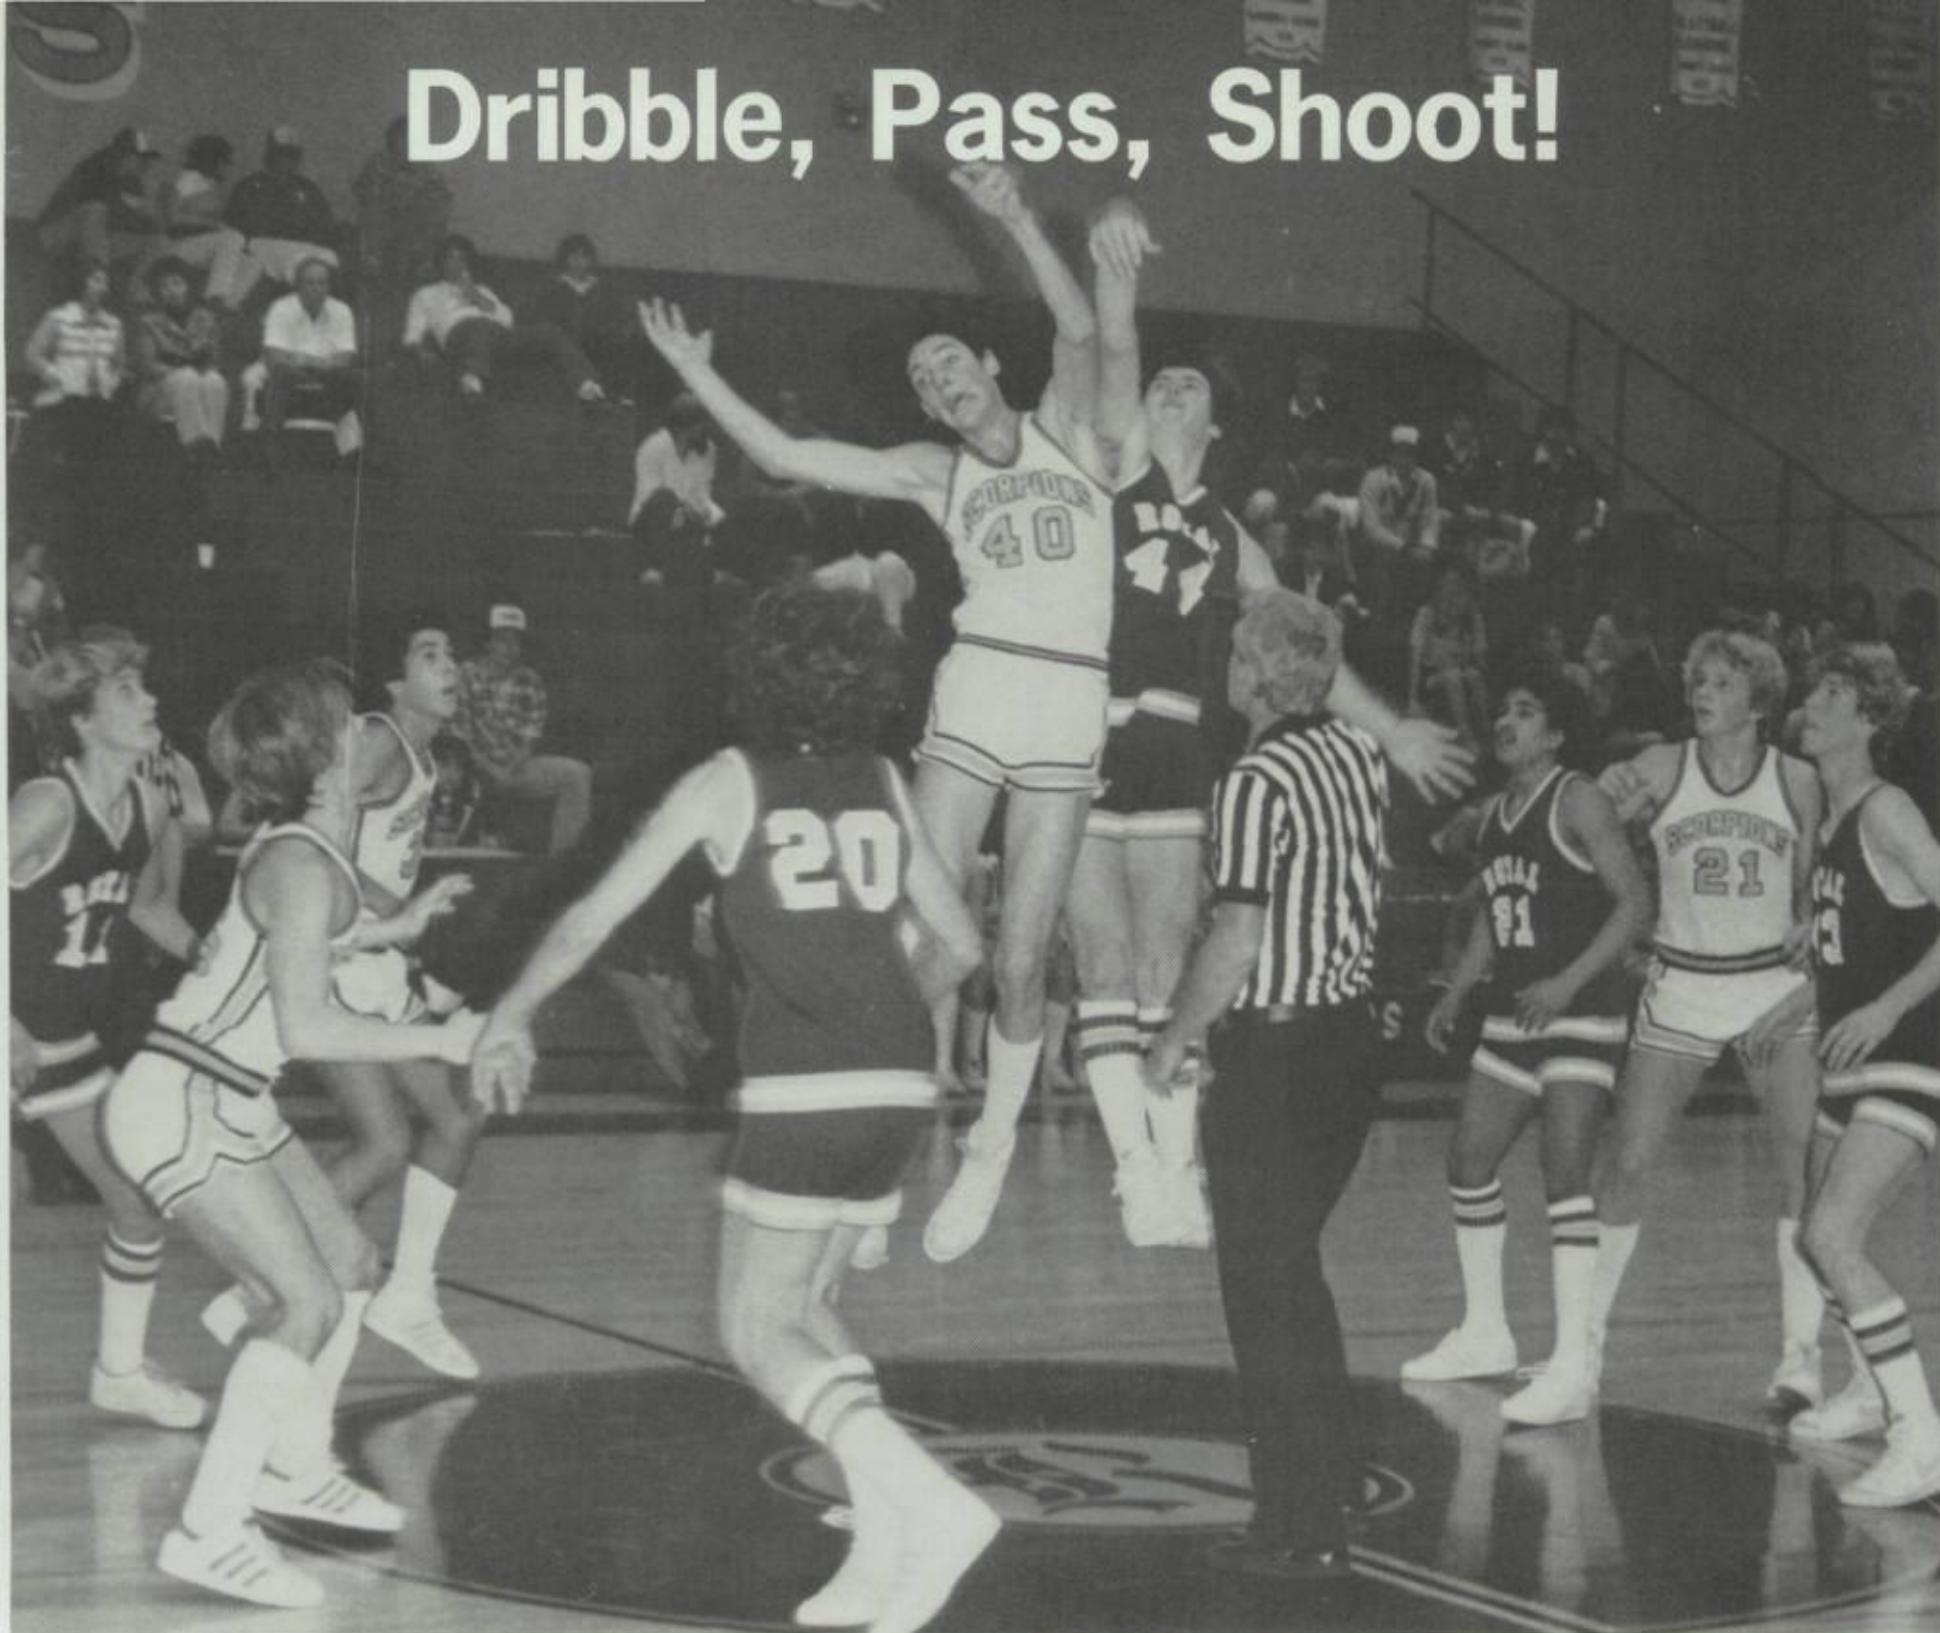

Dave Woods sums up the season: "They did pretty good and played hard this year."

Terri Newhart states: "I was baffled by the men! the season was exciting, breathtaking, and exhilarating."

Junior Varsity And Sophomore Basketball

The Junior Varsity and Sophomore team both did outstanding jobs showing great ability and skill in this field of athletic events. They proved to have good sportsmanship and exhibited much enthusiasm which was always passed on to the cheering fans. The excitement was shared by everyone. Karen Zeman had these words to say about the season: "We started off well and continued to learn through the season. It was fun doing stats and becoming friends with all the players."

Academics Comprehensions

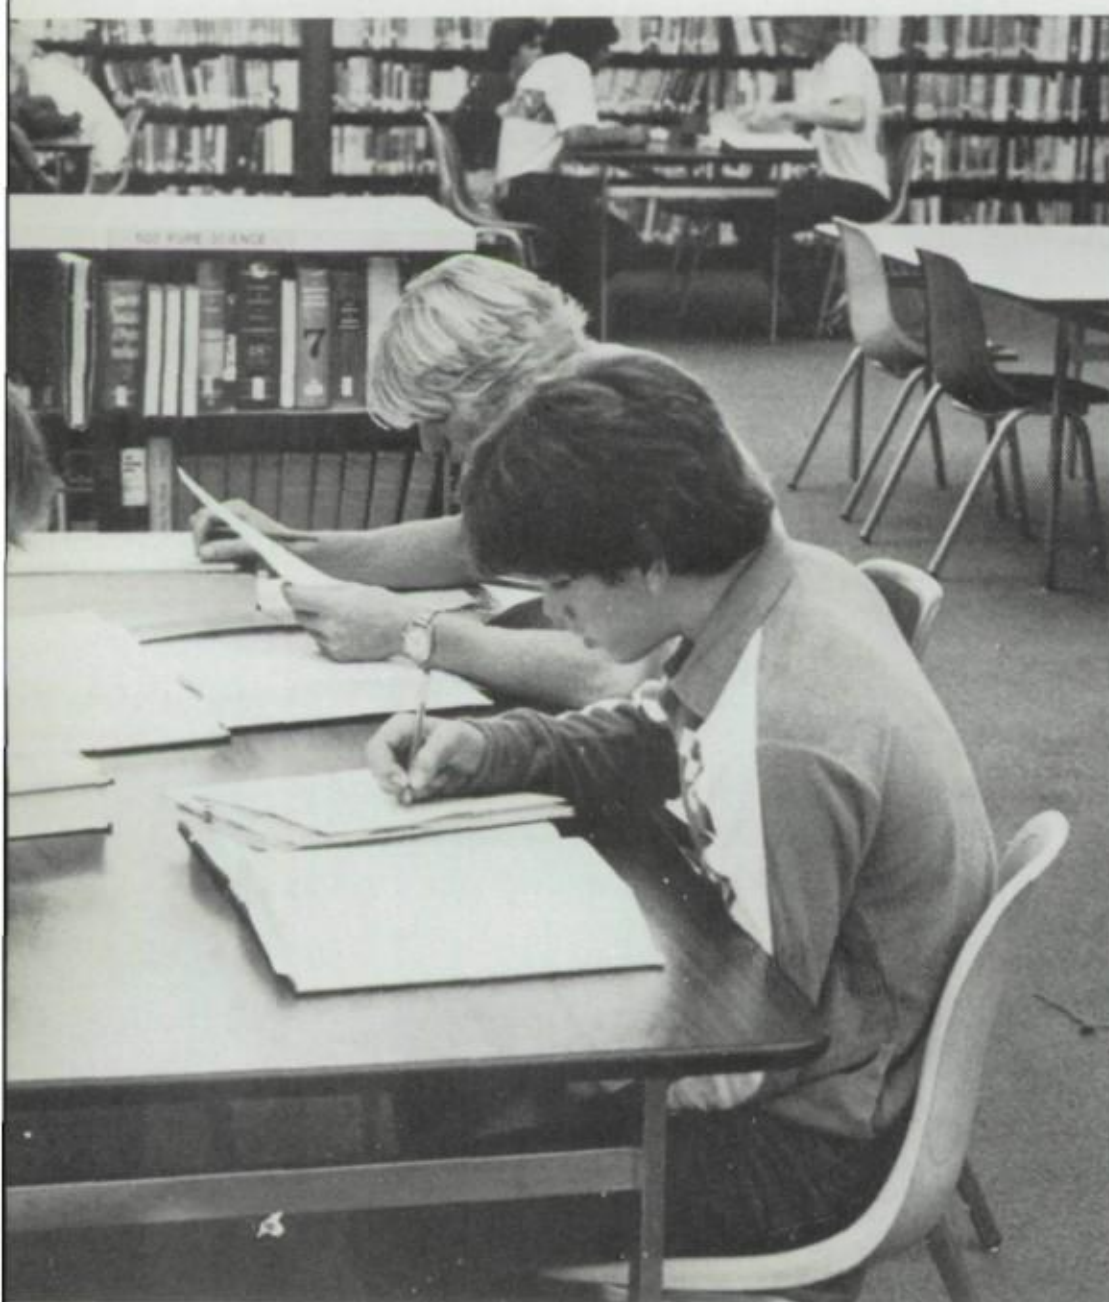

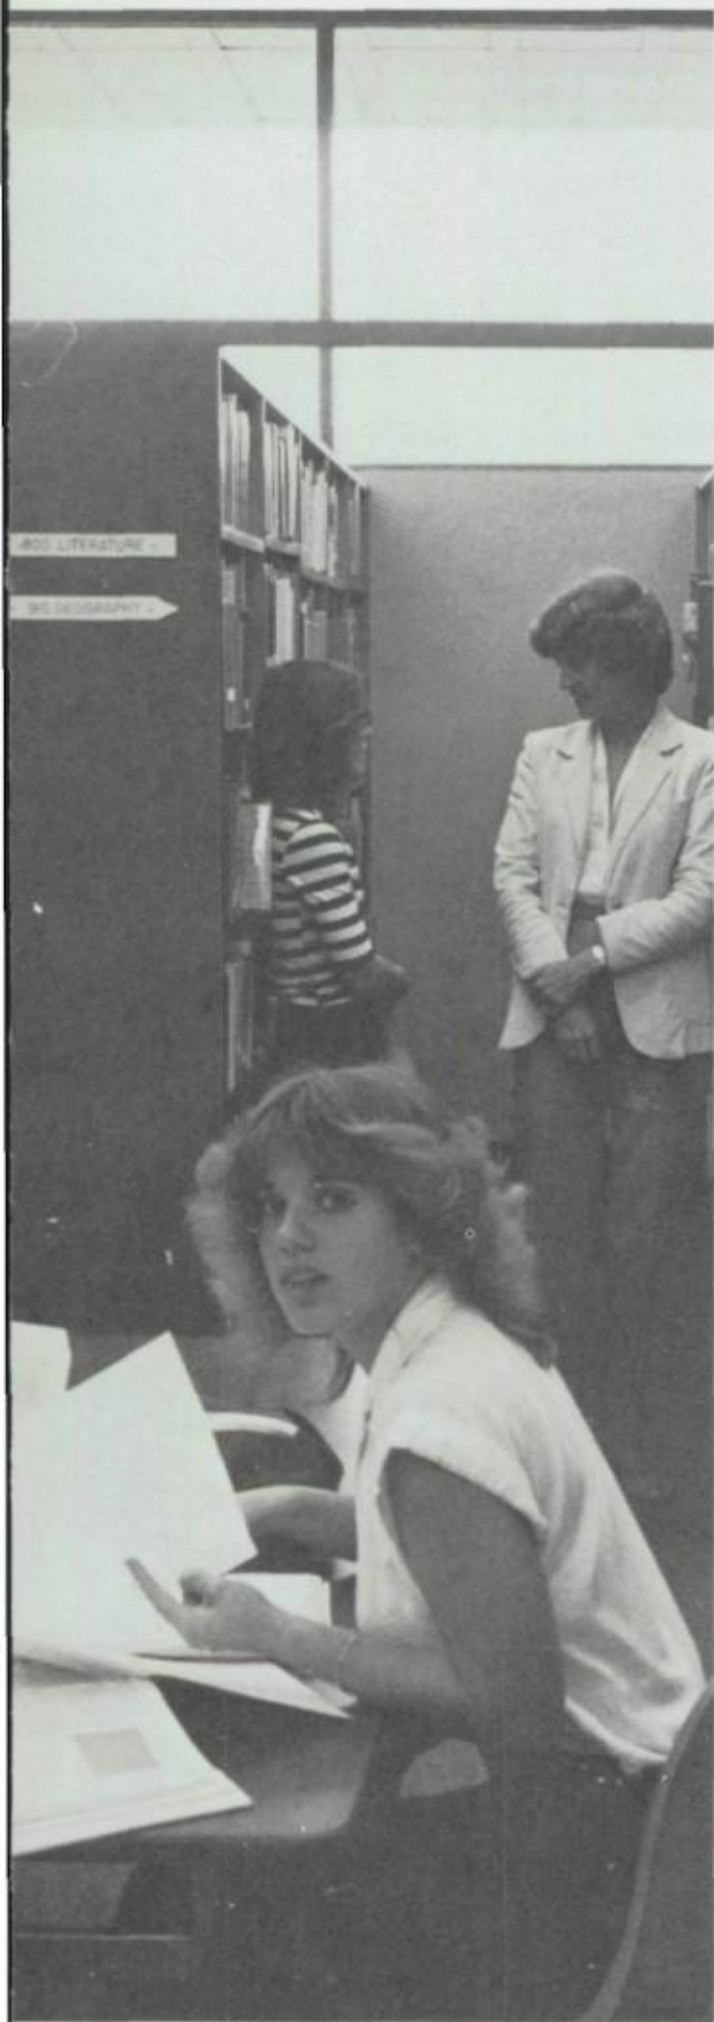

"When Is Recess?"

Although athletics and activities are very popular at Royal, many students enjoy spending time in their classes. Many courses prepare students for college or for their careers after high school. Students enjoy learning about such subjects as Social Studies, Math, and English.

Top left: Michelle Kellick concentrates on her math. Top Right: Shanna Schulze is too tired to study. Middle right: Tina Velasquez takes a break from typing. Middle left: Brenda Carter waits to return the serve in racquetball. Bottom left: Scott Lucas is doing his history homework.

Library And C.G.C.

The Royal High Library has about 23,000 books, ranging from novels to encyclopedias. Mrs. Carpenter, our librarian, keeps the shelves well stocked with magazines, biographies, and reference books. Many students go to the library to study or to do research for their term papers.

Shauna Hixon said, "It's a really good place to do my homework or to talk with my friends. The librarian is really helpful."

"The library is a good place to escape your emotional problems. Mrs. Carpenter makes you feel right at home," said Joy Hobart.

Royal has an excellent Career Guidance Center where students can go to plan their future. Mrs. Taylor, who is in charge of the C.G.C., sets up weekly programs focusing on various careers. Oftentimes local business people come in and talk about their jobs. Students often go there to find out more about colleges and universities from the many catalogs and reference books. The C.G.C. is a great help for students in planning their future education and career.

When asked what she thought about the C.G.C., Debbie Marler replied, "It's a great place to go when you're choosing a college."

Nancy Neville said, "I think the C.G.C. is a great help in planning your future and I'm glad that Royal has such a fine institution for career-minded students."

Science

There is a wide variety of science classes offered at Royal High, including Physics, Chemistry and Physiology. In some courses the students conduct experiments, while in other classes they dissect cats and frogs. Science classes are quite popular at Royal.

"Science is the absolute most," said Joanie Skelly.

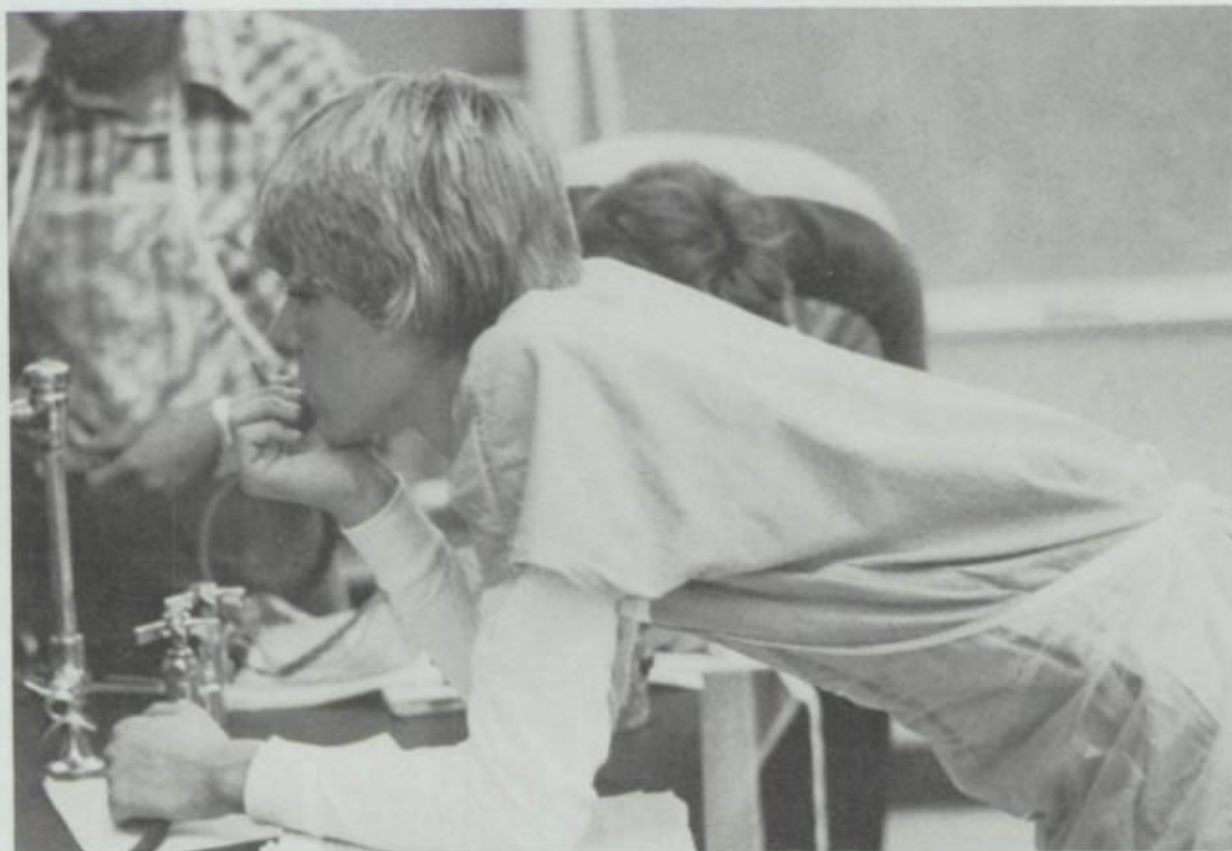

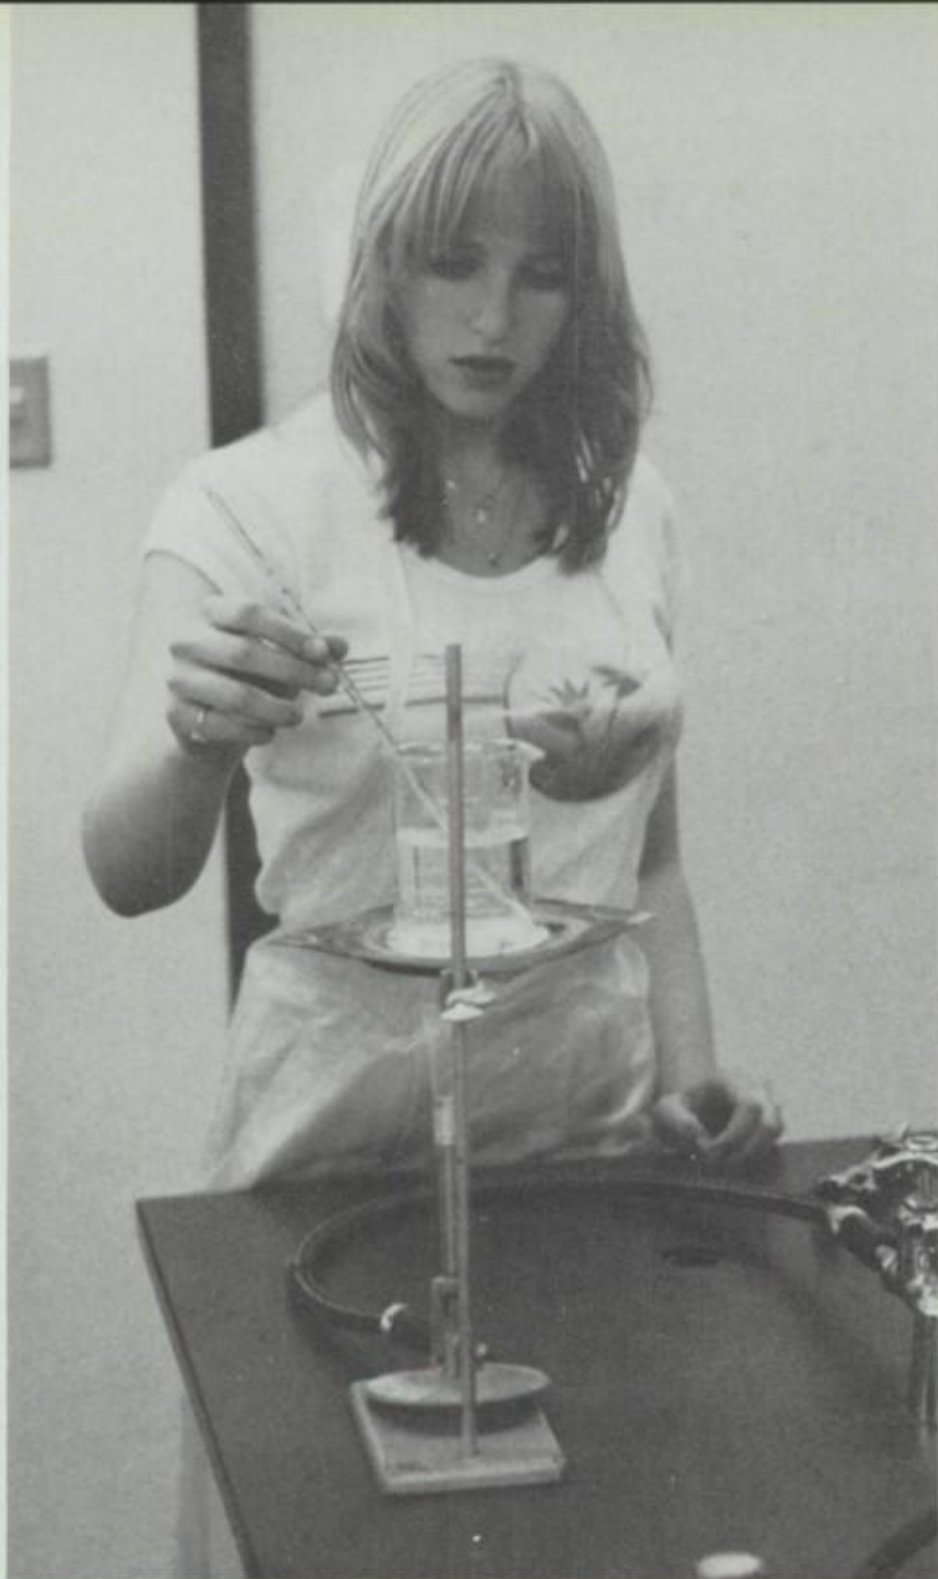

Erin Michie commented, "I like science a lot and I think it's very interesting."

Math

The Math Department has done a magnificent job in meeting the needs of future graduates. There are different classes offered here, from Consumer Math, which helps students prepare for the future in the Business field, to Calculus, which helps prepare students for college.

We asked Lara Geiger what she thinks of math and she said "It's very important because I need it for my job skills."

A lot of jobs today are involved with math. Our society is becoming more math oriented so we must need math to keep up with it.

When Joel Bellenson was asked how his math class will help him for his job in the future, he said "It will help me for my career goal in Engineering and Business."

Politics And Literature

There are many different classes of Social Studies offered here at Royal, including U.S. History, Psychology, American Government, and California History.

When Huong Nguyen was asked what she liked about her history class she commented, "My teacher has taught me a lot of things about history that I never knew before."

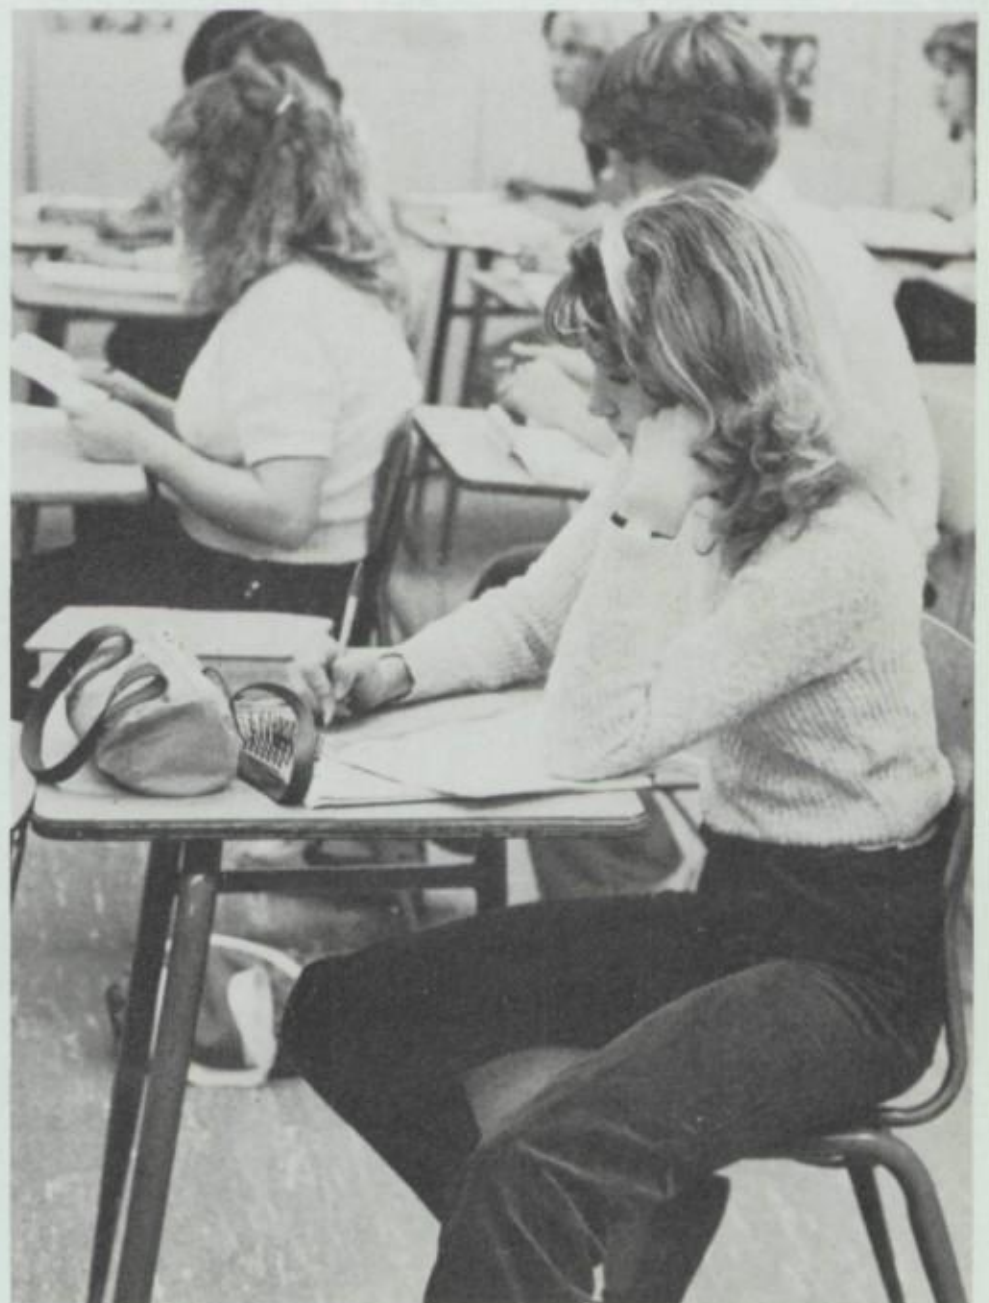

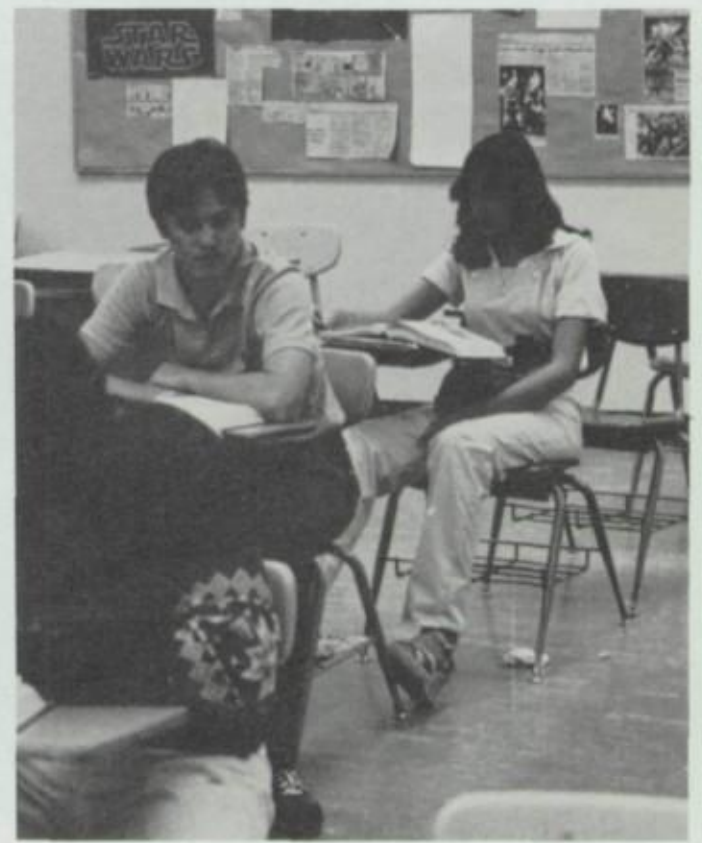

Students have a choice of taking many different English courses at Royal including literature and composition classes. English classes here help students to improve their writing skills. Classes like British Lit. or Dramatic Lit. expose Highlanders to classic literature.

"English classes here have helped me improve my writing skills," remarked Carolyn Schade.

Art Creations

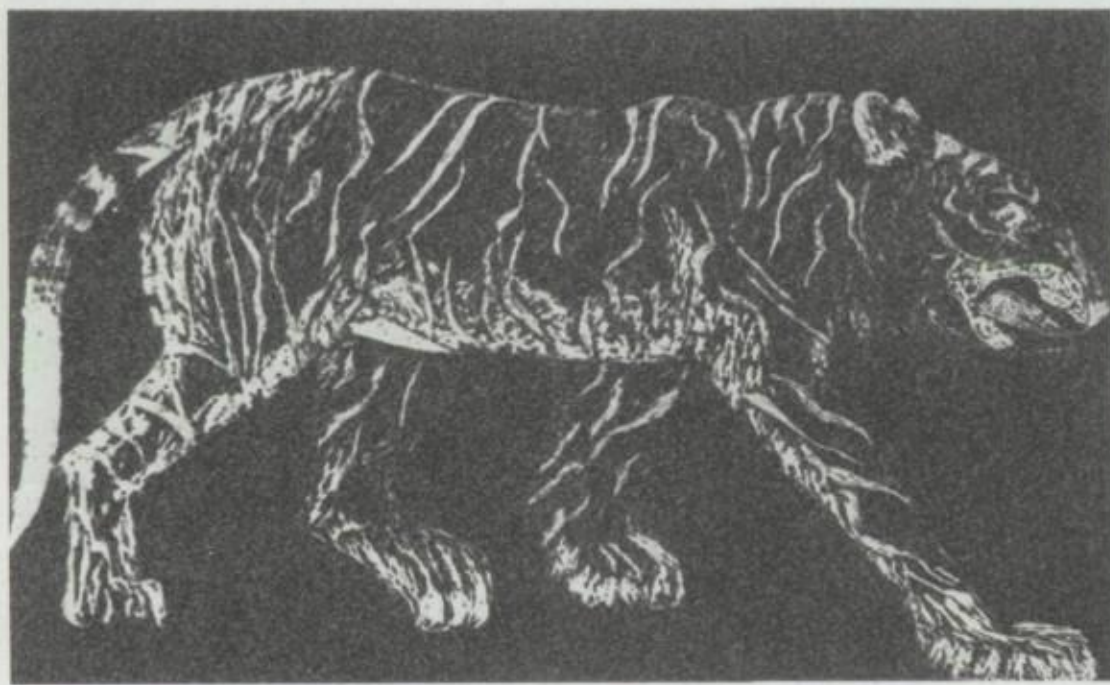

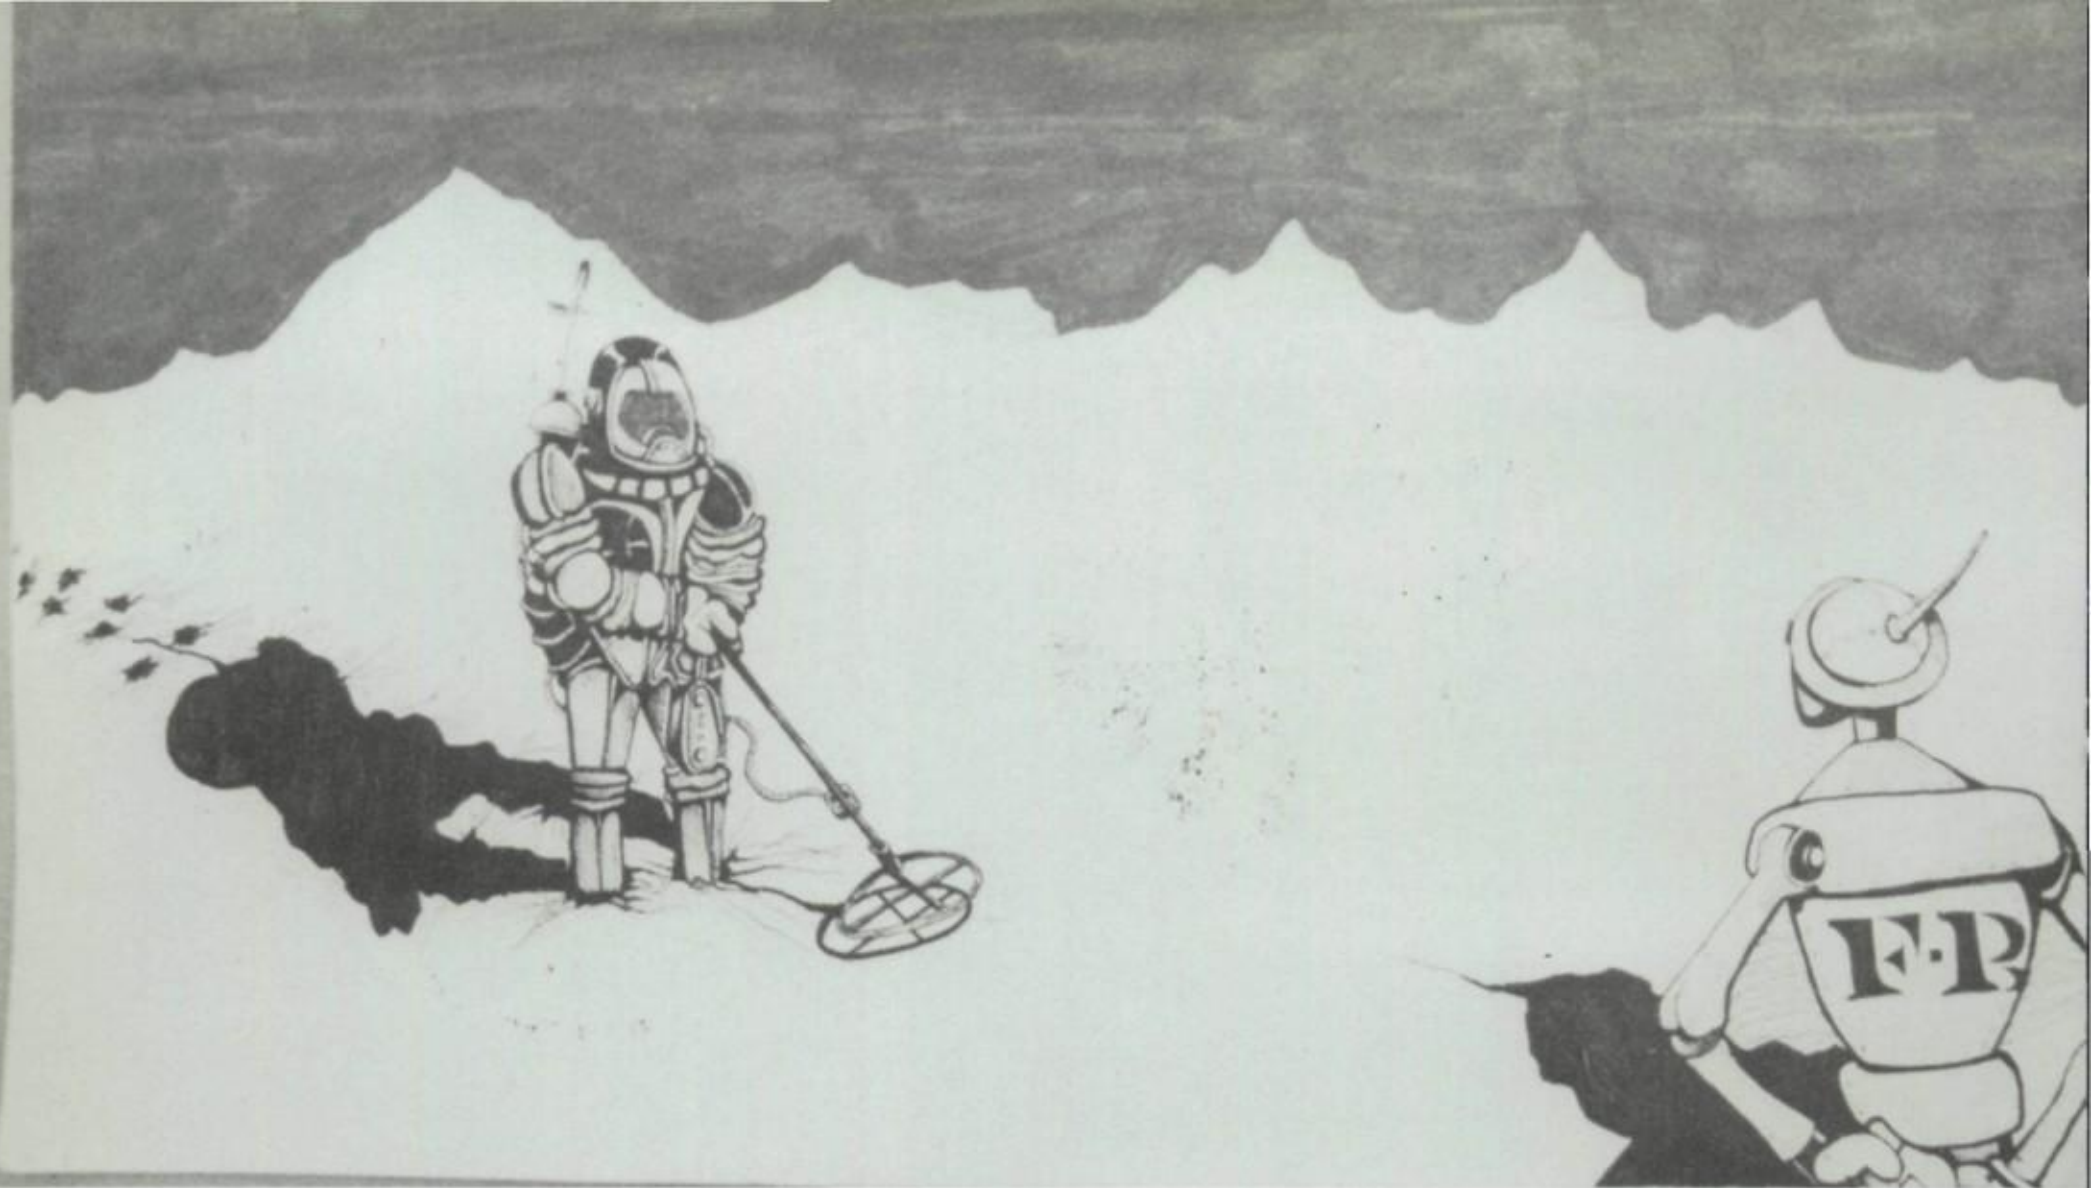

Twilight Zone

Art ... the final frontier. We of the Annual Staff have searched out the school to find new forms of art; new forms of expression, we boldly go where no staff has gone before!!!

Stardate 2406-95BETA. We've discovered a beautiful drawing in Mr. Small's class and a great photograph in Ms. Wooley's class. As we see in the picture above Greg Savage unlocks the secrets of creativity with his Rubik's cube. We see in the picture on the left Drama, exposing their talents. We see in the middle picture choir singing up a storm with a primal Indian Rain dance song. The bottom picture is a beautiful representation of something set free from Brian Tudor's mind. As we travel on there will always be new creations. New things to find on the road of Art.

Fine Arts

In Royal High's art classes, Mr. Small and Mr. Weideman teach their students the techniques that will enable them to express their interests with art.

In the basic classes students learn techniques such as charcoal drawing, oil and water painting, chalk and ink drawing, and start to develop their own individual style. They try to acquire the basic "know-how" talents on the subjects they're interested in. Keith Petersen says, "My art class let's me become one with my inner self. I often find myself floating aimlessly through the Cosmos."

In the advanced classes, students perfect techniques and work with the teacher on perfecting their own unique art forms. Craig Rottman says, "I just wish we could have done some nudes." Abbott Currier, an advanced art student, plans to attend a junior college, then a four year university to become an Advertising Artist. "This art class is the best I've ever had. I've learned more than any other," he says with enthusiasm.

Top right: A solarization of a building done by none other than Leroy Leyba.

Photography

One of the classes that falls under the fine arts category is photography. Photography enables students to gain experience and knowledge as well as fun with a camera. Photography classes here at Royal range from basic black and white to sophisticated color shots. This way students have a chance to excell at their hobby. Senior Jeff Whitt says, "This class has enlightened myself to the broader aspects of photographic knowledge." "This class is happening," says Leroy 'Chicky' Leyba's, "I dig the action here—Good karma." Ms. Wooley, their photography teacher, also takes her students on field trips to Los Angeles, San Diego Zoo, and Rancho Park. Many of the students also participate in the Ventura County Fair. Greg Savage won "Photographer of the Fair, the 'Sweepstakes' award. Savage and many other Royal students won various places and prizes in their divisions. All in all Photography here at Royal is definitely "happening." Kim Marske exclaims, "Photography is Too Hip."

Speaking Up

Speech And Debate

Speech and Debate, headed by new mentor, Ms. Santuli, won many awards again this year, with Stu Ackerman and Debbie Novy as leaders for the Speech and Debate Clubs, respectfully. This season they had a fun and satisfying one. The clubs participated in tournaments hosted by schools such as UCLA or San Diego State University. Also this year the students participated in a mock government. Bills were presented and the Speech and Debate classes discussed the bills and approved or rejected them.

Ms. Santuli explains that Speech and Debate "gives the students a chance to become better speakers, listeners, and thinkers." Basically Speech and Debate teaches the students communication skills. Bobby Chacon likes the class because, "speech lets me be me." Dave Weiss added jokingly that "speech makes me talk 'gooder'".

Concert Choir

Concert Choir members can be found singing Acappella down the 6 hall or looking for Thelma Grisby during lunch. This marvelous singing group is led by the one and only Mr. Reisig. They perform at such events as the Royal Performing Arts Nights and the Annual Christmas Concert. We really appreciate the great voices of our choir. So, keep gargling and reach for the high . . . notes. Tammee Smith feels; "they contribute a lot to our entertainment for Royal High."

Madrigals

The Madrigals is a group of talented, young singers in the 11th and 12th grades. They perform with the Concert Choir, yet they are a totally different group. Their costumes represent "The South" and were very expensive says their advisor, Mr. Riesig. Tracey Mele thinks that "the Madrigals have very beautiful voices, and I wouldn't mind owning Michelle Medvec's dress." All in all the Madrigals can be described as a very ritzy group of singers. Good luck in all that you do.

Playing Up

Concert Band

Royal has a group of 42 talented students who make up our concert band. They have several festivals during the year. Many who witnessed the Christmas concert performance thought it was excellent.

Laurie Steeber, who plays the alto clarinet was asked if she liked concert band? She replied, "I like it a lot. It also gives me a lot of practice for Wind Ensemble."

Top Left: Concert Band is playing some good tunes. Royal High is proud of the Jazz band, made up of 20 people and instructed by Northridge College student Schuichi Komiyama. This is one of Royal's many after school activities.

Monica Hewitt, who plays the electric keyboard and piano, was asked what the Jazz band meant to her. "It is a lot of fun and you can express yourself freely."

Wind Ensemble

Many students here at Royal enroll in Wind Ensemble for knowledge and experience in the field of music. This class is made up of only the best musicians. Auditions are mandatory to get in the class. Wind Ensemble is a very demanding class and attendance is very important. Throughout the year there are many festivals. As an extra, they went to Arizona in May.

Sheryl Hedtke who plays the clarinet, was asked if she likes Wind Ensemble and why? She replied, "I love it! It takes a lot of dedication, but all the work and time put in is worth it."

Rick Hagen, also a member of the Wind Ensemble who plays the trombone, said he likes it, "Because it betters my musicianship and I plan to major in music."

Acting Up

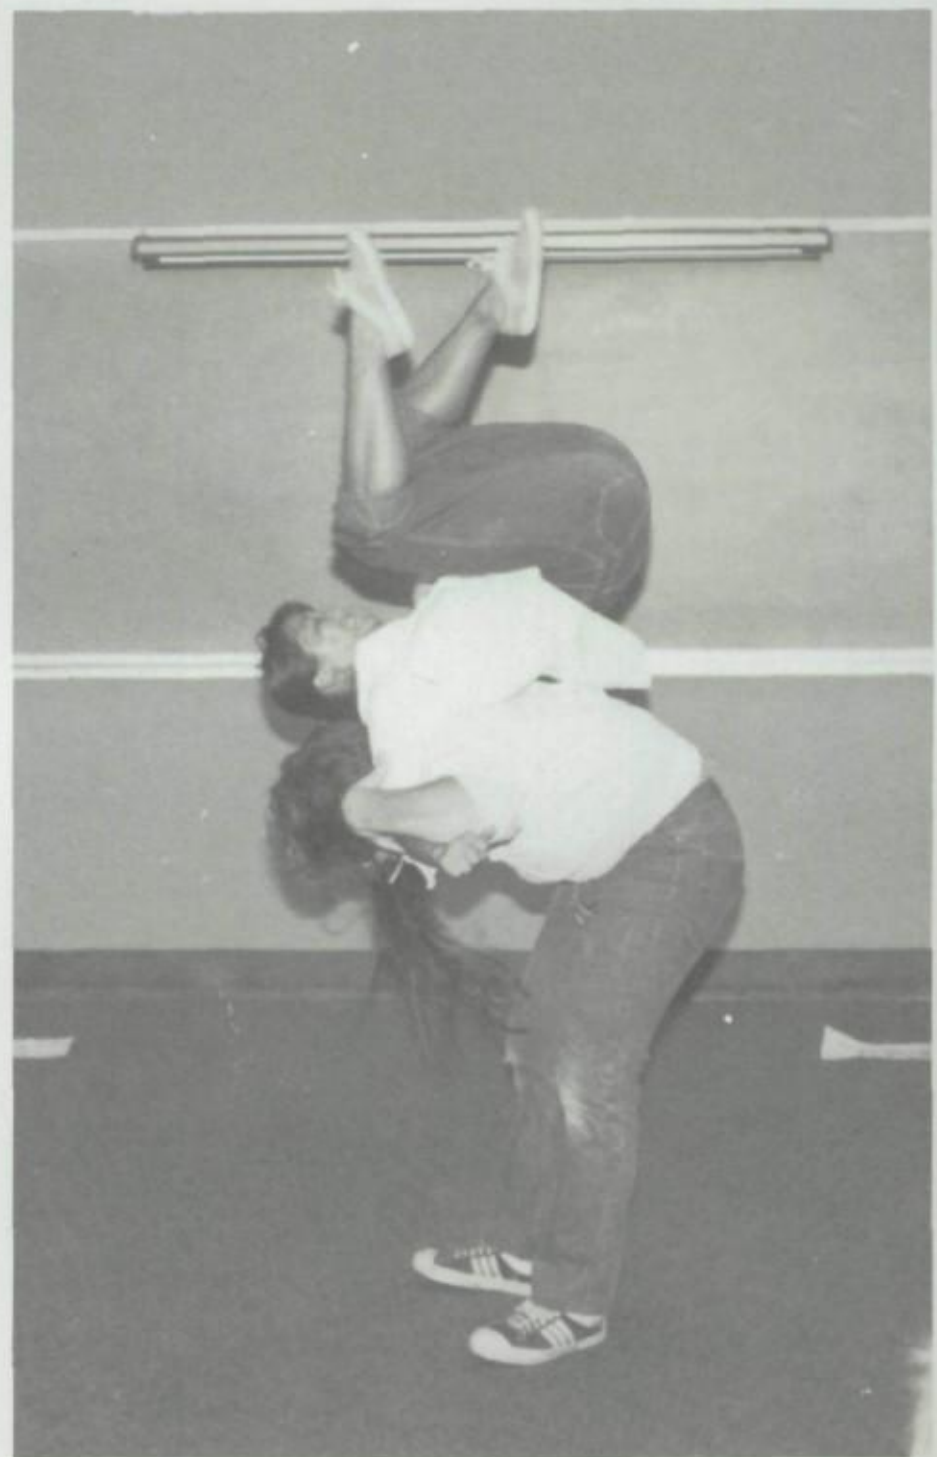

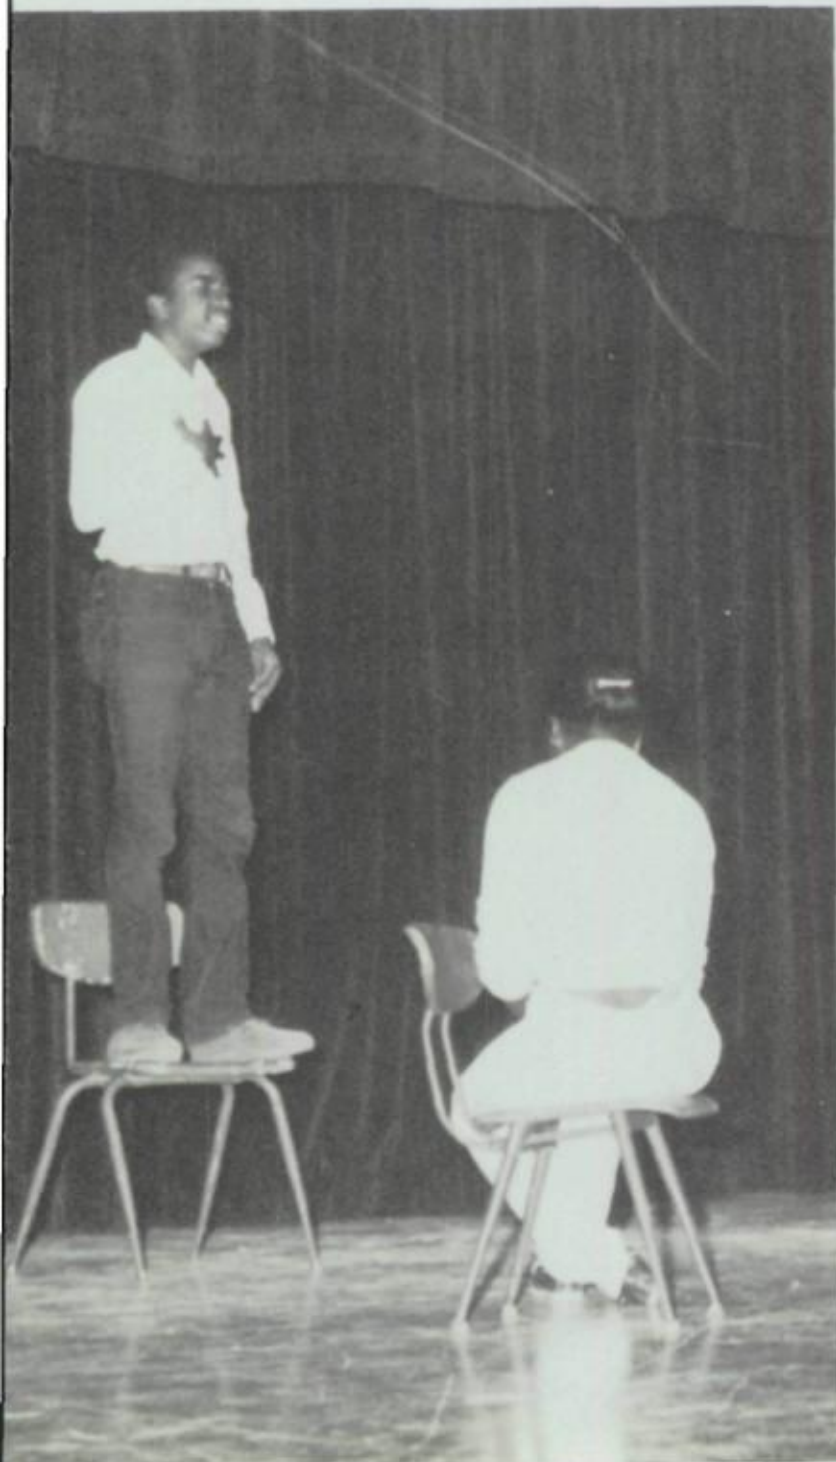

Stage craft plays a big part in performances. If it was not for stagecraft and their help, the actors would have no set. Stage craft has many responsibilities to follow such as making the sets, hanging the lights, setting up the sound system, operating the curtain, and also running the lights during the show. This is a voluntary activity that is offered after school. All members though have to attend all rehearsals and performances.

Derek Pino was asked his opinion on Stage Craft and he replied, "They were fantastic. If it was not for them, then the show would not go on."

Drama is one of the hardest sections in performing arts. To perform well an actor has to become the character. A lot of time and dedication has to be put in for the best outcome for the performance.

Lisa Hutter was asked what she liked best about being in drama, "It is a great feeling to perform in front of people. It gives you energy especially when you get audience reaction. I love it!"

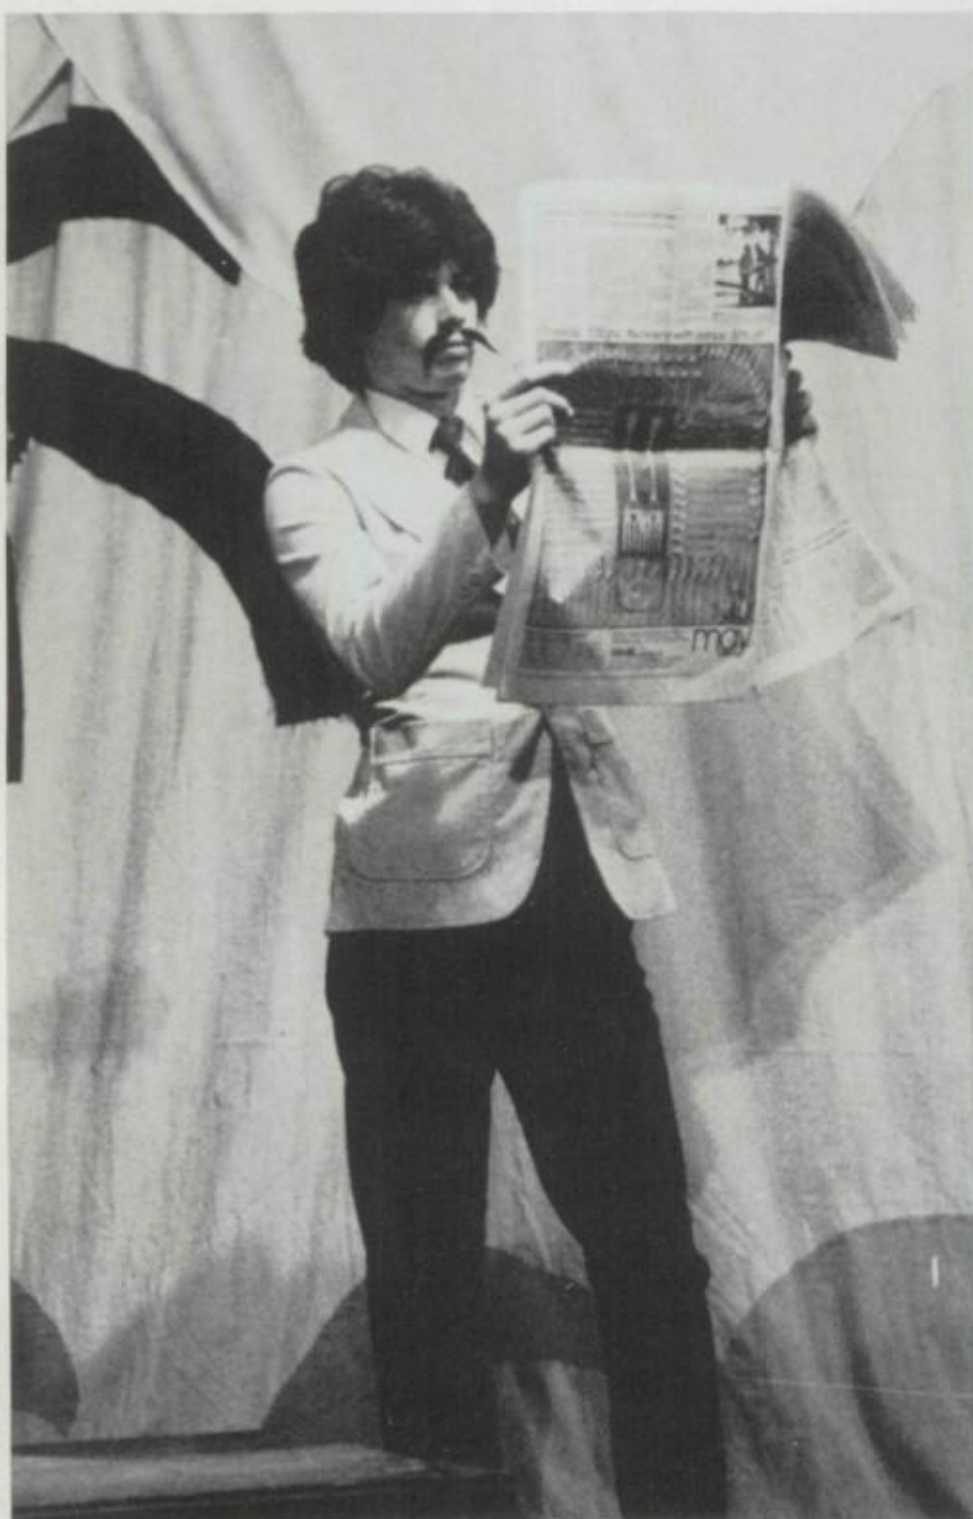

Stage Craft And Drama

Laughing Up

Thieves' Carnival

Thieves' Carnival is a play that tells about some thieves that came to town to rob Lady Hurf's mansion and about the romance between one of the robbers, Gustave, and Lady Hurf's niece, Juliette.

Bobby Chacon, a cast member, commented, "The play was a new kind of experience for me, the way I got to know the cast members."

Pattie McCann's opinion was typical of the audience, "I really enjoyed the play, I could tell they put a lot of hard work into it."

Debbie Hillenbrand remarked, "It was a very good and interesting play."

The Thieves' Carnival production was a team effort by Ms. Kerry Jackson, head of the Drama department; Kort Falkenberg III, special stage business and Musical arrangements; Cathy Volz and Leslie Fisher, Directors Assistants; Michele Adams, Poster Designs; Mr. Michael Reisig, Sound system and Music; and a cast and crew of over 40 people, they all made the play the success that it was!

Juniors Jet To The Top!

The Junior class of 1982 had a spectacular year! As for the Juniors who were involved in just about every activity this year, they deserve a special thanks. Junior class activities were for the whole school. Can you imagine a school without a Football Homecoming ceremony or parade, Winter Formal, or Winter Formal Homecoming Court? These are just a few responsibilities the Junior class had. Their creativity produced the theme "A Romance on a Winter Evening", for the Winter Formal plus the theme for the Homecoming Parade was "Rockin' Through the Ages."

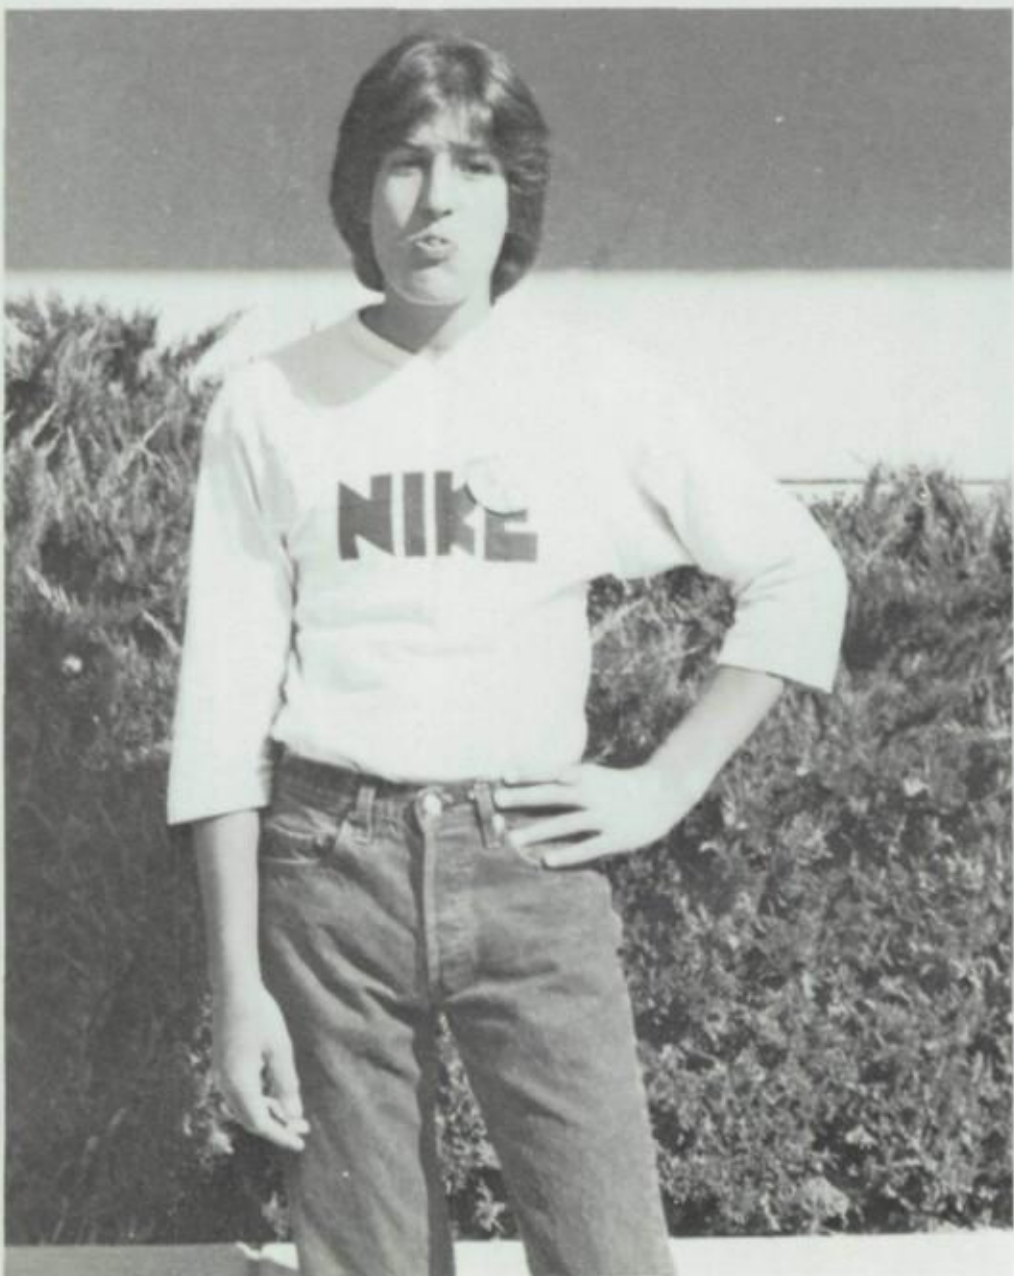

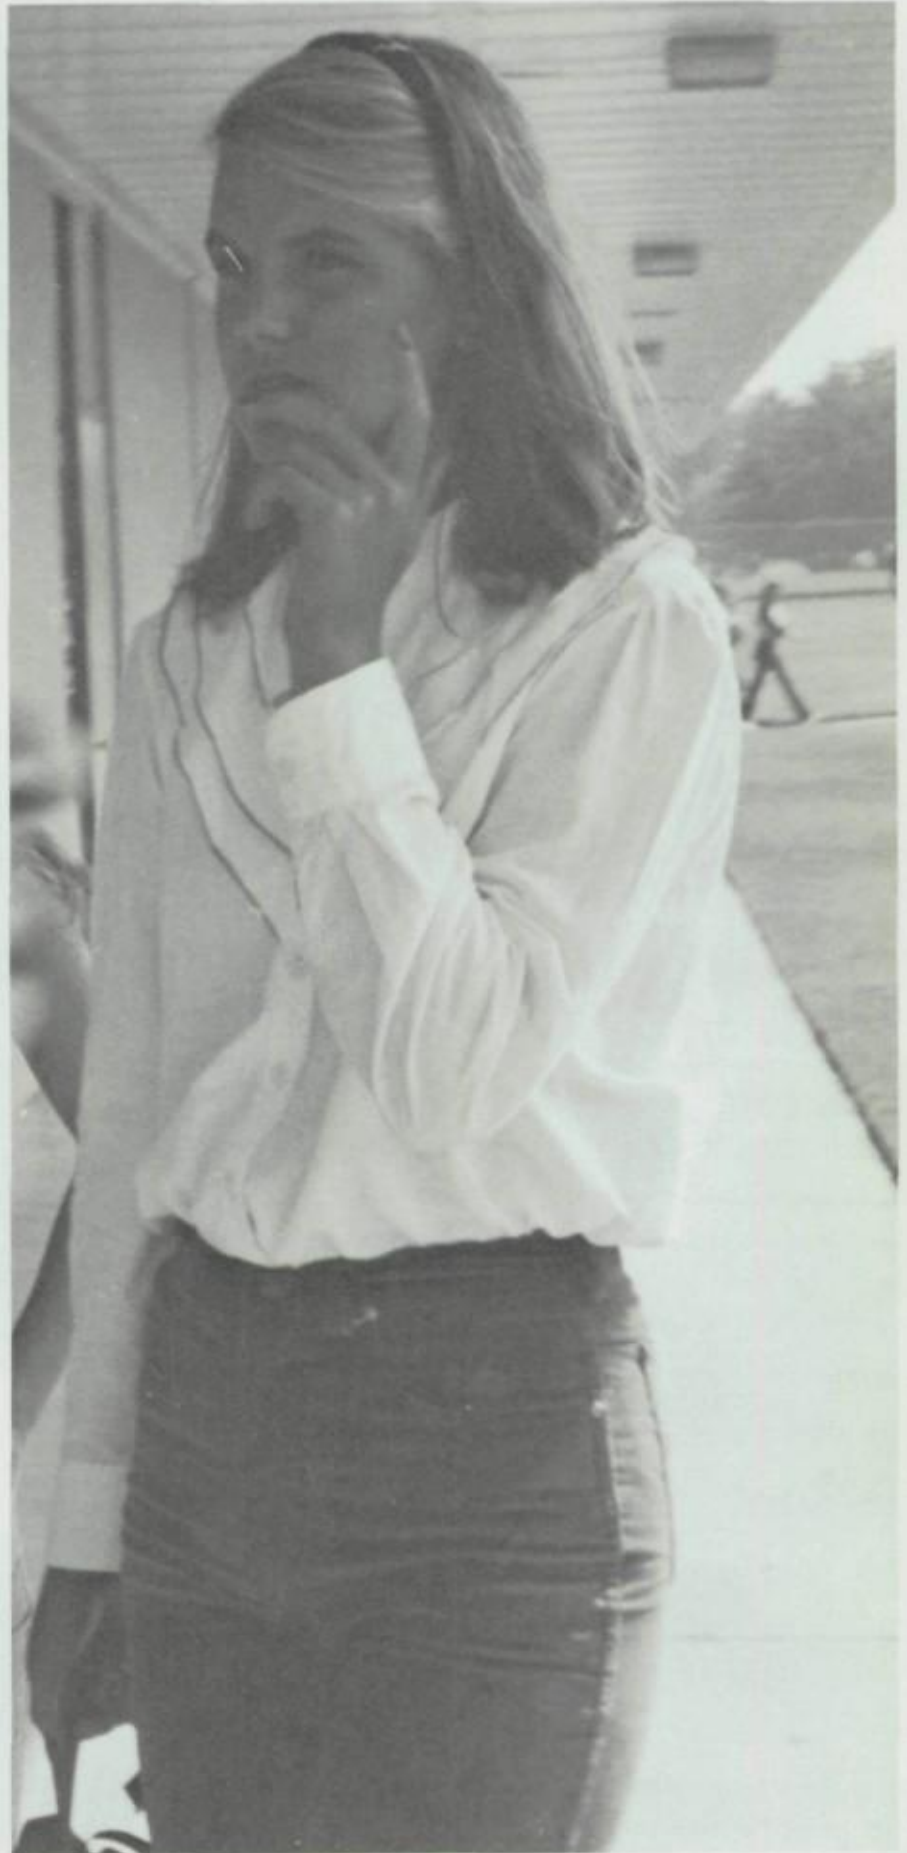

The Juniors went through the year with classes such as Biology, Algebra II, Chemistry, History, and English. All these classes kept Juniors adequately frustrated, but they struggled through the year. Despite all these tribulations the Juniors managed to make their junior year the best one they have had at Royal.

The Junior class had spirit for their school. It was proven in many ways. Especially when it came time for class competition. Many Juniors would go out on the quad, run many obstacle courses, funky races just for the glory of first place for the Junior class. It was a time to just let go of everything and root the Junior class on to victory. The people on the sides cheered too! No matter if they won or lost, they would always do it with class!

Top: Did you lose something, Bobbi Gillespie? Bottom: We know what kind of music Jerry Fenske likes.

Opposite Page: Top Left: Bobby Chacon and Birgette Lerno get funky at the Football Homecoming Dance. Bottom Left: Pattie McCann says "Oh come on, Be real!". Bottom Right: Though they live far apart, Cindy Hernandez and Robert Tomaszewskis' love will always be the same.

Juniors Relations

Relationships at Royal High are very special, especially when those relationships are between Juniors. It is their second year at Royal. They are not the rookies anymore yet they are not the oldest either. It is the time when they know the most people and have the most friends. Their friends are real close like a family. It is a time for meeting new friends and watching their old friends move on in their life. And it is a time to grow. To grow in our relationships with one another. To grow and achieve more as we now move on to the rulers of the school.

84 Officers

The Sophomore class officers did a great job this year. They kept busy throughout the entire year with such events as the Basketball Homecoming and some successful fund raisers. Besides trying to get acquainted with the school, they won Sweepstakes at the Football Homecoming Parade. Their spirit and enthusiasm was appreciated by all the students, here at Royal. Thank you Ms. Sullivan, and all the officers for a terrific first year at Royal.

Going to high school can be a very scary experience at the beginning. Especially if you're not going to the high school you had planned and depended on going for most of your life. That is what the sophomores from Sequoia had to go through.

It is a new experience going from junior high to high school. There are a lot more people, bigger campus, you are not as close with everyone, and you don't know all the teachers.

It is hard enough to be leaving a familiar school, teachers you know and friends in every class. But then to have to go to a totally strange school knowing hardly anyone, having unknown teachers, not knowing which teachers coach which sport, certainly adds up to a lot more disadvantages.

After the first couple of days you start to become familiar with the campus, teachers, and students, so it isn't that bad once you get used to it. You start to meet new friends and have many different experiences.

The sophomores from Sequoia had it a lot tougher. We had left most of our friends who are going to Simi, and had no idea what to expect. We didn't know any of the teachers and barely any of the students. It was like being "The new kid in town". It was a lot harder for us to adjust, but we have made that adjustment well, with the help of a friendly faculty, and nice, caring students who helped us to overcome our fears and adjust to Royal. You have made this year one of the best. Thank you.

Super Sophs Specialties!

Beth Hyatt's Is Photography.

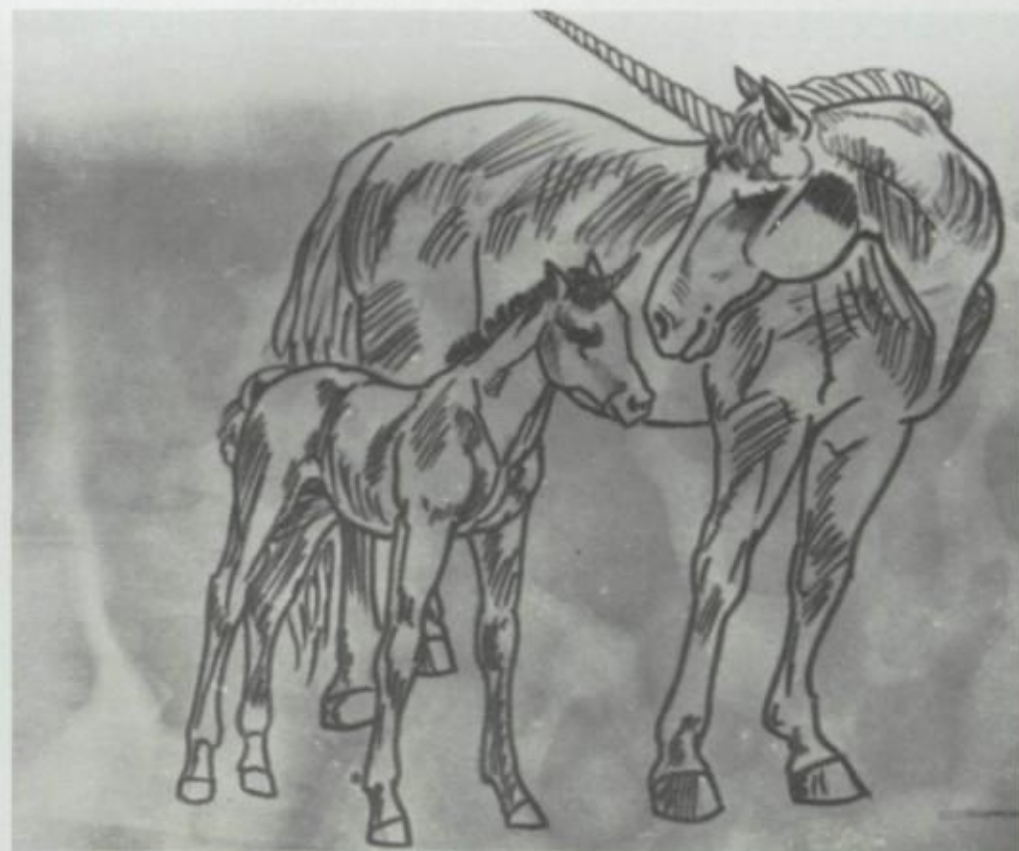

Beth Hyatt is a 15 year old girl who was born in Los Angeles, California. She grew up in Northridge until she was 11, then her family packed up and moved to Simi Valley. She was interested in softball, and photography. She has been involved in photography for about five years.

We asked her what type of photography she prefers, and she said, "Any kind of action shots, like sports." During her interview she told us how her parents and teachers influenced her to become involved with this hobby.

Besides taking sports pictures she also takes pictures of concerts, weddings, candid, landscapes, and portraits. Her set up includes a Pentax ME super camera and many different types of lenses from Sigma and Pentax. But with all this, it still takes much skill and practice to become a good photographer. If you are starting out she recommends getting a fully automatic and manual camera with interchangeable lenses.

In the future Beth would like to go to the Brooks Institute of Photography to become a photographer for **Sports Illustrated** or any other big magazine. She is currently employed in a camera store called "Chatsworth Cameras" located on Devonshire and Mason. Beth has a good future ahead of her. The above pictures were taken by Beth.

Our Artistic Artist Is . . .

Tim Ibbotsen

Tim was born in Van Nuys, California, on September 28, 1966. He has been drawing for approximately fourteen years. When he graduates from high school, he would like to get a scholarship for a commercial art degree from either UCLA or USC.

His career goal is to become a professional commercial artist. He likes to do all types of artwork which includes drawing, sketching, charcoal and oil painting.

When he works on a picture, he can take from one hour to a couple of days to complete.

He has had a couple of art classes before, but he has been mostly self-taught. Currently he has art and printing II, and next semester he plans to take commercial art here at Royal.

Pictured above are a few samples of Tim's work.

Watch Out, Here We Come!

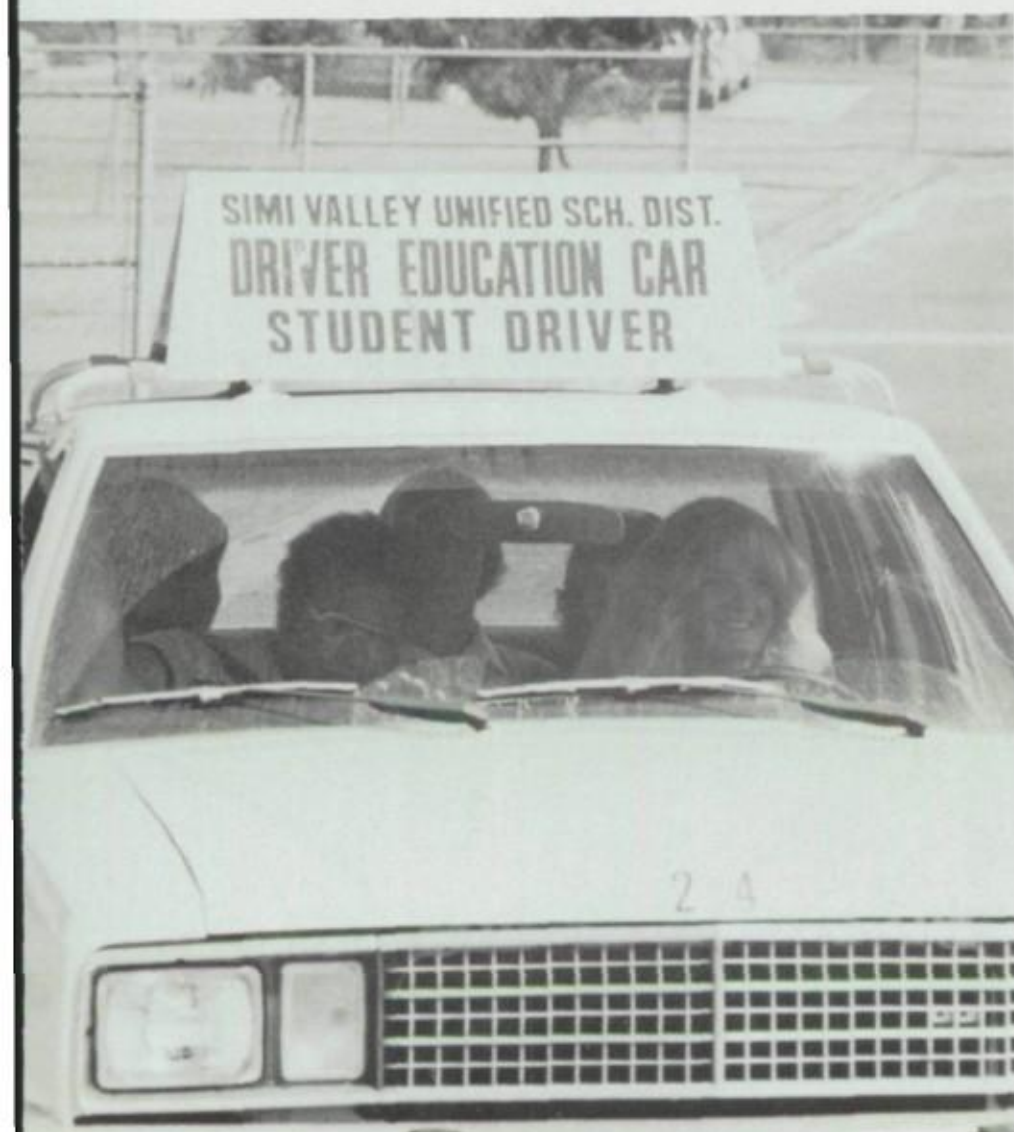

Drivers Ed.

Each year hundreds of Sophomores learn to drive at Royal High School. For most it can be a very frightening experience. This is usually a student's first time behind the wheel of a car. Learning to stop, turn, and park a car can be a very difficult job. It can get very nerve-racking when working a simulator in class.

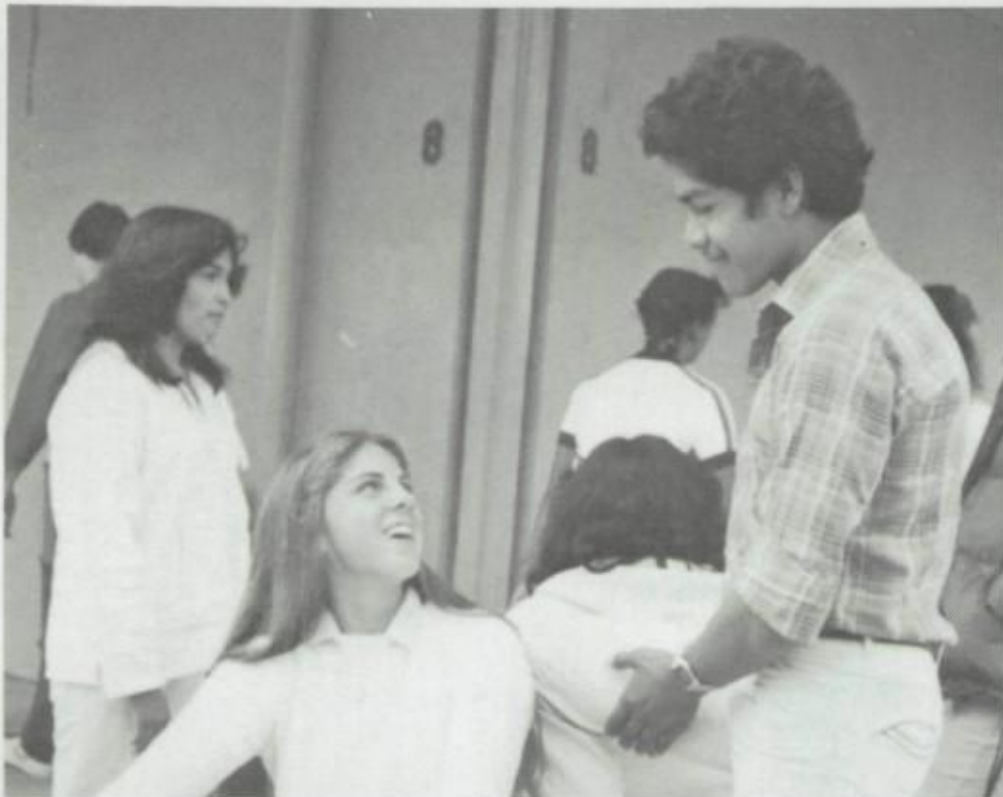

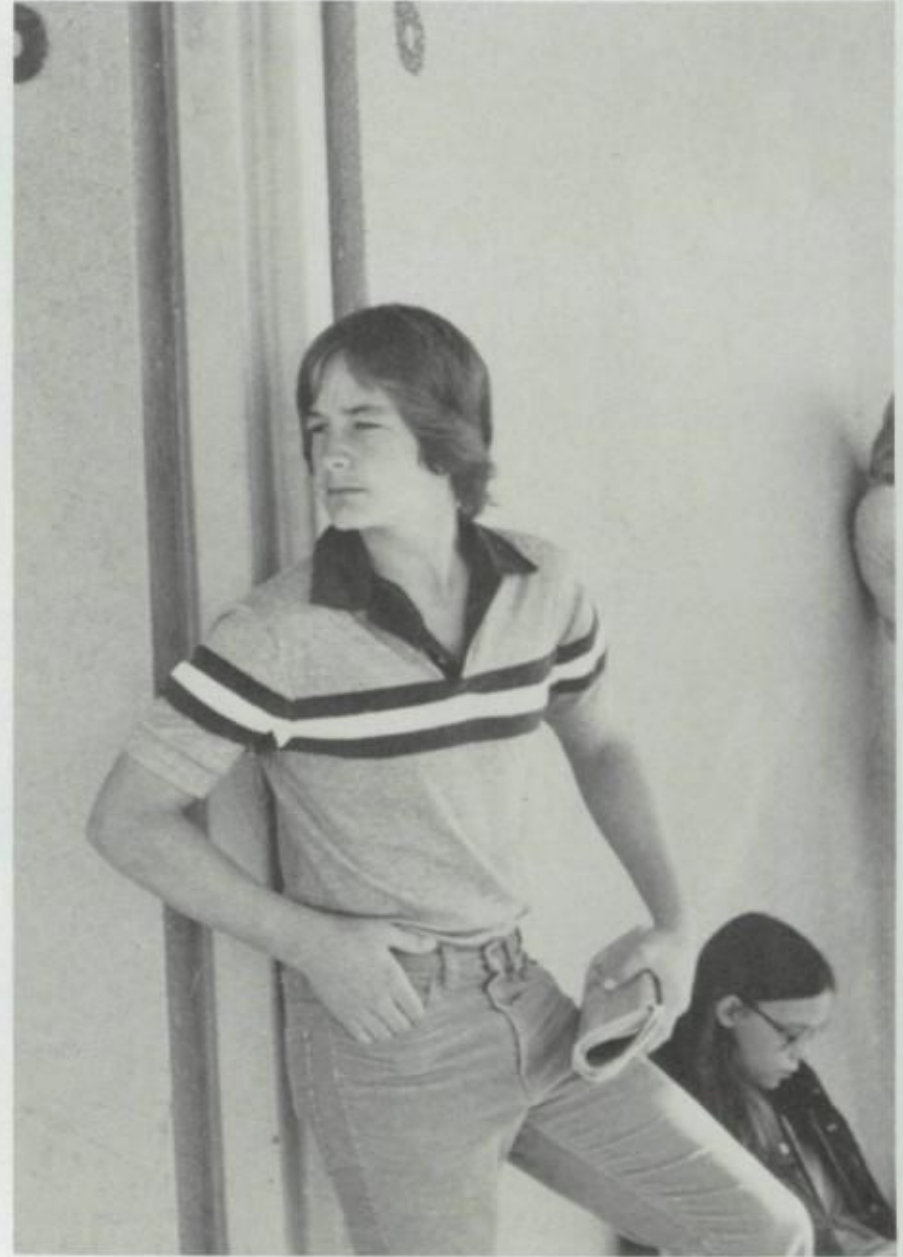

But we all seemed to enjoy all the hard work. And it really paid off when the Department of Motor Vehicles came to Royal to give us all that test to find out if we would get a drivers' permit or not.

It is a very exciting feeling when the time comes to get your driver's license. Remember going down to the Department of Motor Vehicles and taking the written test? What about the actual behind the wheel test? How many mistakes did you make? All and all, it was well worth the effort. Remember the great feeling when your license arrived in the mail? Did you call up your best friend and go "cruising?"

Top left: Make sure that you signal, look in your mirrors, and look over your shoulder before you pull out. Top Right: Watch out! Don't back up into the car. Bottom Left: Mr. Noisette is holding on for his life.

Studying Before Class

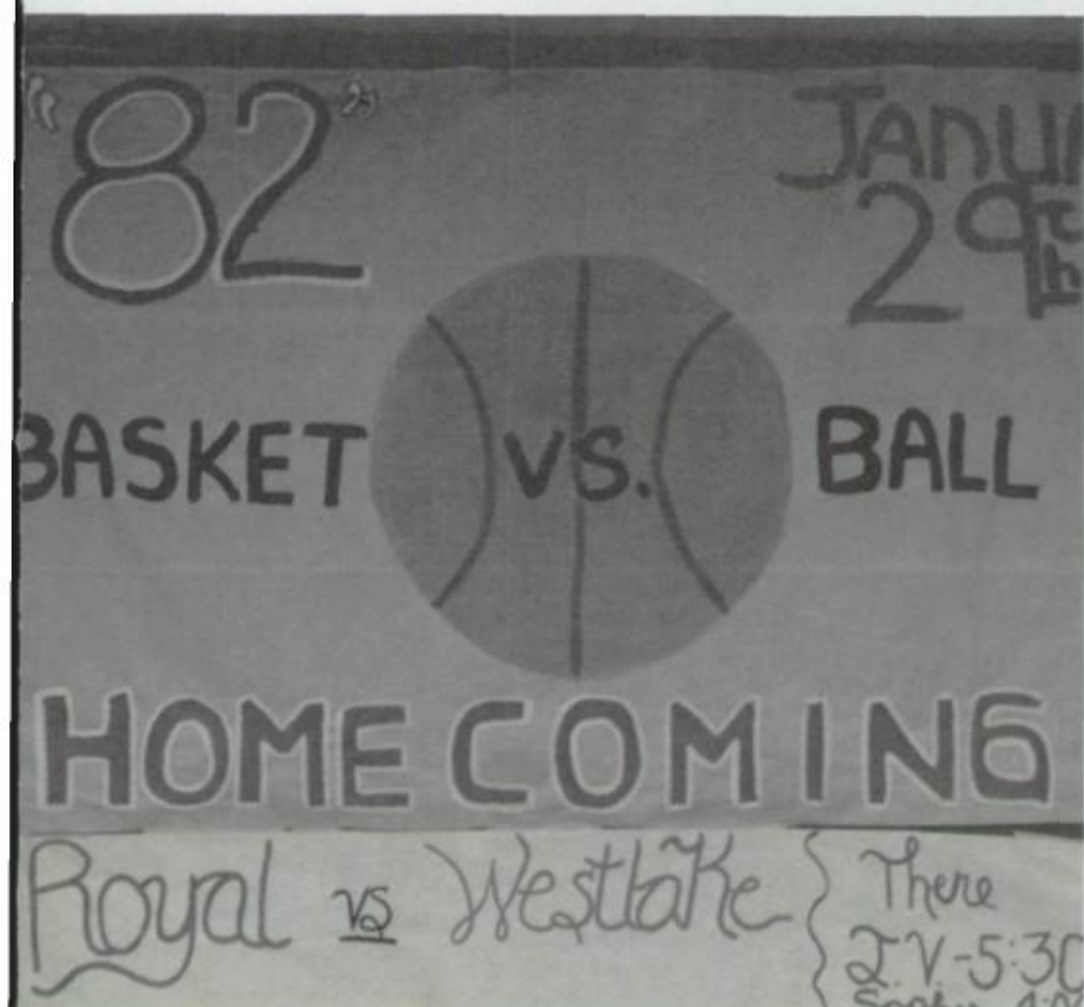

During passing time we all get eight minutes to take a rest before going to our next class and start studying again.

In this time most take time out to talk and visit with friends before rushing to our locker and then make it on time to our next class.

This time period is well needed to make it through the day. And we all look forward for the bell to ring to take a break.

Shoot And Score For Basketball Homecoming

Basketball Homecoming was a great success this year. Everyone really seemed to have a good time at the pep rally and Basketball game. The Sophomores were in charge of making this event possible. Alison Watson, sophomore class president, helped get everything together. Stacey Sullivan, class treasurer, also did a big part to make this a special event. Special thanks to class advisor Mrs. Sullivan, and to all who participated and made this year's Basketball Homecoming a memorable one.

On Your Mark, Get Set, Go!

Top Left: Sonia Gross gets her face smeared by another mudcovered Sophomore. Top Right: Tim McClain enjoys playing 'twister'. Middle Left: Luise Ticnac really gives it his all for competition.

Class competition is always a lot of fun because it's one of the rare times when Sophomores, Juniors, and Seniors all get together enjoying themselves.

During class competition everyone has a lot of spirit and it gets really exciting seeing everyone running, racing and yelling. It's a great way to show school spirit and have fun at the same time.

This year we really had a great time and even added wrestling to the list of events.

Club Organizations

Join A Club

Joining a club is a great way to get involved. Many clubs and organizations on the campus are fun and exciting, for example, Plaid Truth, Royal High's newspaper, informs students and teachers on major and fun-filled events. Other clubs are Thaliens and A.F.S. These clubs help Royal out in every way they can. They have flower sales throughout the year. A.F.S. is an exciting club because they have exchange students, and we teach them our cultures and they teach us theirs. Another group is Annual, this fun and exciting club puts this great book together. If you really want to get involved next year join a club.

Serving Royal

American Field Service

A.F.S. is the largest international high school student exchange organization in the world. A.F.S. helps both the students from abroad and the students here at Royal to make new friends, learn new cultures, and learn new languages. Shawn Martiante said, "The club helps foreign exchange students make friends and to feel accepted here at Royal." He also added, "We do many fun things on the weekends too." The club spends much of their spare time traveling.

Lina Lancellotti said "The reason I got involved with A.F.S. was because my nutty friend talked me into it, but I am real glad she did. It is a lot of fun." When they do travel, they really like to go to Carson City. A.F.S. spends a weekend learning and having a great time with one another.

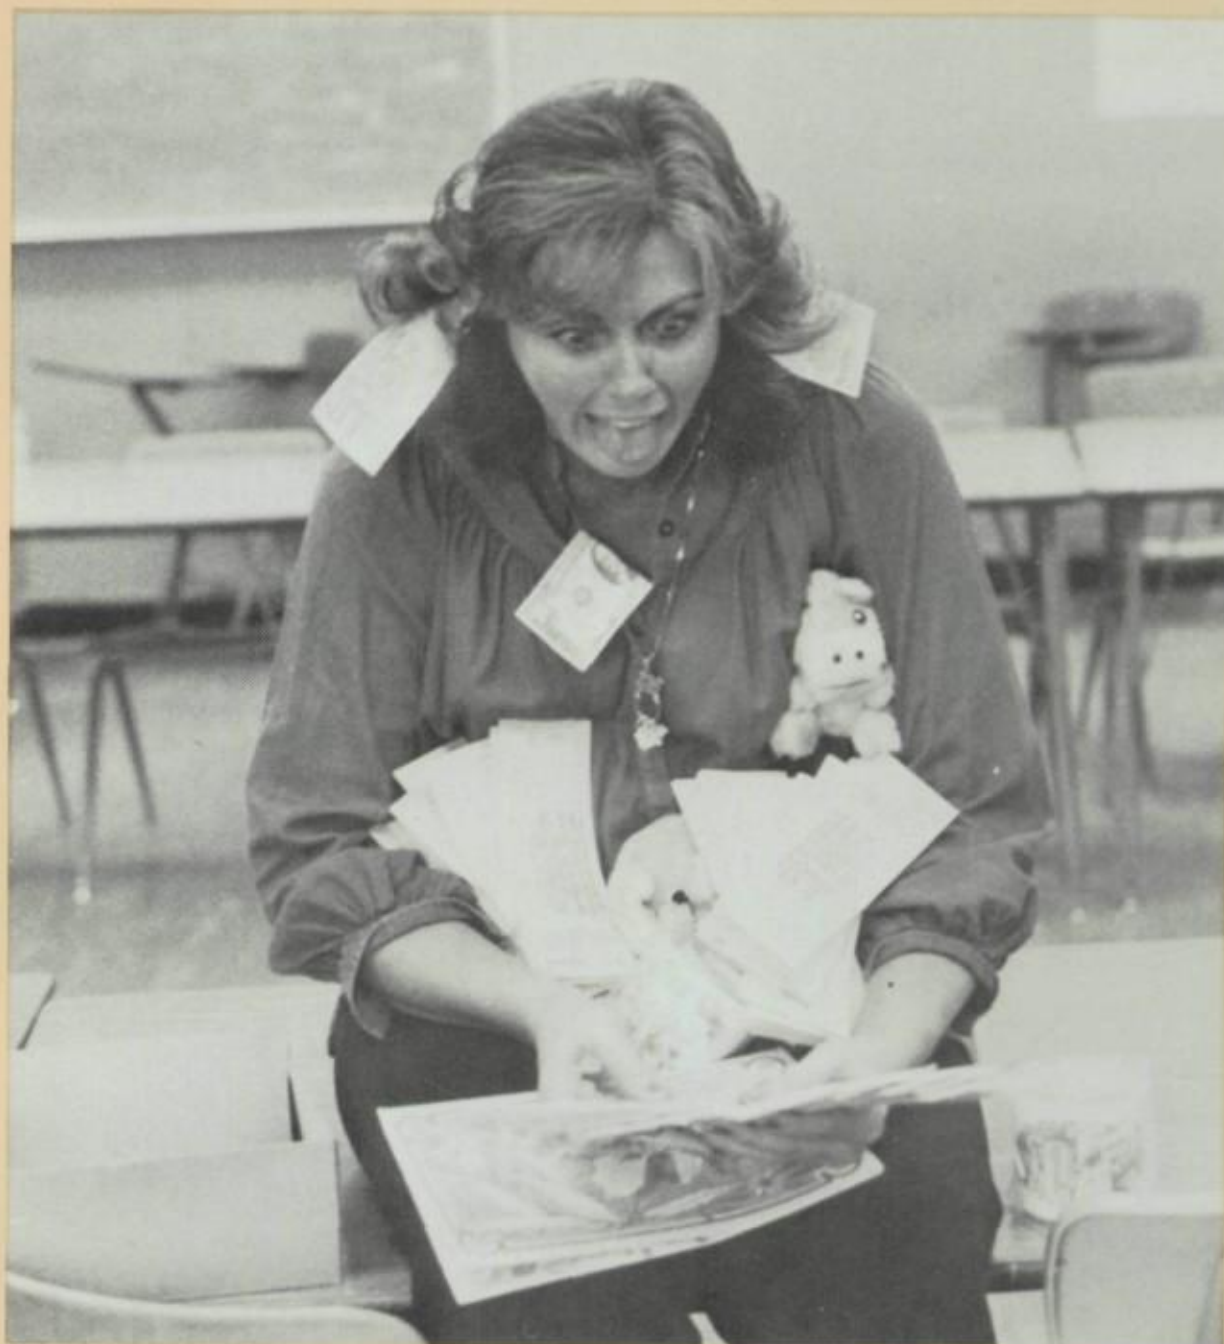

Holger Schmidt, an exchange student from West Germany, showed more than enough of his school spirit this year at Royal. One might say he had a wide "streak" of spirit in him. Holger stayed with Russ Havens and his family.

Plaid Truth

Plaid Truth is the school newspaper that comes out once a month to each student. It presents a well-rounded picture of Royal High and the campus activities. Tracey Mele said, "I like the paper because it's neat to know what is going on. Without the paper's publication a lot of students would not be informed of most of the events that take place here at Royal. Jamie Greenberg believes, "Plaid Truth lets the students see beyond the surface of the campus. When a journalist has covered events from homecoming to class competition, they have always managed to capture the true spirit. Sandra Spencer said, "I like the paper, it's interesting and well written. "The Plaid Truth, serves as a public relations tool, and it also encourages the growth of our student journalists profession, ethics and standards are fought and held to, while writing about the personality of the Royal High campus, staff, and students alike.

The Royal Scholastic society consists of the National Honor Society and the California Federation Scholarship. CIF Students are required to take college bound courses and maintain at least a "B" average. Though the club members enjoy academics and excel in it, fun activities are also part of their curriculum.

N.J.R.O.T.C. stands for Naval Junior Reserve Officers Training Corps. It is jointly sponsored by the Navy. Cadets are under no Navy obligation to join the Navy. The cadets are provided with the uniforms, books, training aids and other types of equipment, which are paid for by the Navy.

The Yosemite club is a club for students who are interested in nature, and for those who are, they get to spend a week with the Yosemite Institute in the Yosemite National Park. Everyone in the club enjoys the outdoor education that the club provides.

Pep Squad

The 1981-82 Pep Squad consists of Varsity Cheerleaders, Spirit Squad, and Sophomore Cheerleaders. They performed at pep rallies, football, basketball, and volleyball games, and at cross country and wrestling matches.

The Pep Squad showed a lot of spirit at the rallies and the games. At the Homecoming rally and parade they did a terrific job showing their spirit and pride in Royal.

Wendy Green said, "It's exciting cheering at the games, it's really fun."

This summer they received many awards at camp.

Our Varsity Cheerleaders took first place for their home dance routine, "Sleeping with the Television On." Also they received a spirit stick, many superior, and excellent ribbons, and the unity award.

The Pep Squad received an honorable award for all of Royal High, The School Involvement Award.

This year the girls' basketball team was initiated into their winning season. They had many fundraisers and the money was used for girls basketball. They had many parties, including a Christmas party and a Champion's party where the girls threw all their coaches in the pool.

Sue Berry says that, "Being in Swish is fun and we get to travel a lot."

Kathy Flores added, "This is my third year in Drill Team. I like it a lot. It is fun and keeps me very busy. It takes a lot of hard work and dedication, but at the end of the year all the hard work pays off!"

Sue Moore said, "Even though it is my first year I've made a lot of friends. It is really fun but the practicing is hard!"

Royal Band

The 1981-82 Royal High Band is a group of talented students who represent our school in many parade and field show competitions. They also perform their field show during football halftimes and help raise school spirit through their music at basketball games and rallies. The band combines with drill team, flags, dancers and letterettes to make up the whole brigade. The Highlander band is under the direction of Sandy Chase who has helped them to remain one of the best bands in Southern California. The band's drum major is Tom Sheppard. The band not only has great talent but they also show a lot of pride and dedication to Royal High. Royal High would like to thank all the band members and Sandy Chase for a terrific job all year.

A lot of hard work and dedication is needed to perfect each routine. Royal High Tall Flags is under the direction of Paula Green, who has brought these girls to many victories over the past three years. The members of Tall Flags are very dedicated to Royal and we thank them for a job well done.

1981 Homecoming Court

Football Homecoming always seems to be one event at Royal which has everyone's spirit and support. No one can deny that more people participate in Homecoming than any other event. From the football players to Honor Society, everyone gets involved.

Voting for the princesses went on during third period, and the voting for queen went on at lunch. The voting procedure has been a tradition here at Royal for a long time.

Looking back on Homecoming night, the half time festivities were spectacular. During half time the traditional fireworks were going off in the stadium as the Band and Drill Team performed their award winning field show.

In the midst of the activities Miss Michele Hendrickson was named Queen. "When my name was announced, the first thing I thought was, ME?" "I thought that this was the best Homecoming in my three years and I would like to thank the class of '83 for making my night so enjoyable." "I have been to quite a few of the other school's Homecomings and their ceremony can not even compare to ours." "Everything seemed too good to be true. Winning Queen made my night".

The new reigning Queen, Michele Hendrickson, escorted by her father, Mr. Hendrickson and her court of Trisha Spellman, escorted by her father, Mr. Spellman and Jennifer Stephens, escorted by Randy Gallella, both Senior Princesses; Kim Warner the Junior Princess was escorted by Bobby Chacon and the Sophomore Princess, Laura Knight was also escorted by her father, Mr. Knight, added to the color and pageantry of Homecoming.

After the game, the Queen and her court returned to Royal for an evening full of fun and dancing.

1981 Winter Formal

"Romance on a Winter Evening," the theme for this year's winter formal was held at the St. Nicholas Grande Ballroom in Northridge. More couples came out to this year's formal than any other.

Voting for the princesses went on during third period, and voting for queen went on at the formal. This voting procedure has been a tradition at Royal for a long time.

Looking back on the ceremony it was a great evening for everyone. During the traditional walk through the arch, the girls had a little something read about themselves.

In the midst of the ceremony Miss Kathy McKenna was announced Queen. She commented, "I thought the formal was really well put-on by the Junior class and I had a fantastic time! The ceremony was very nice and I wish I hadn't been so nervous so that I could have enjoyed it more, but I had a wonderful evening."

The new Reigning Queen, Kathy McKenna, escorted by Matt Jacobs, and her court of Shauna Hixon, escorted by Scott Spielman, and Sharon Wipf, escorted by Jim Stanphil, both Senior Princesses; Bobbi Gillespie, Junior Princess, escorted by Mike Barnes, and the Sophomore Princess, Judy Violette, escorted by Paul Methot added to the color and beauty of this festive evening.

After the ceremony, the Queen and her court continued the evening with a special dance and the rest of the night was full of fun, refreshments and dancing.

Crowned Erin Michie

1982 Basketball Homecoming

Basketball Homecoming is one of the most exciting games of the year. Many people come to this game not only to watch the fantastic basketball action but also to see the homecoming festivities.

Voting for class princesses went on again during third period and the traditional voting for Queen went on during lunch.

Looking back on Homecoming night, the half-time festivities were full of excitement. The drill team and alumni drill team members, performed a very nice half-time dance routine. After the drill team performance the princesses were announced to the crowd.

In the midst of all the excitement during half-time Miss Erin Michie was named Queen.

Erin commented on her evening by saying, "Basketball Homecoming was an exciting event. I was honored so very much when I was selected as one of the senior princesses, and even more so at being named Queen. I was so nervous I couldn't even smile. Seeing all the alumni and ex-cheerleaders who came back was neat, the enthusiasm was great. The dance was fun and I was surprised by the number of students that attended. I was in heaven the whole night."

The new reigning Queen, Erin Michie, was escorted by Jim Plowman. Her court included Debbie Marler who was escorted by Lance Kreisman, Angie Walker who was escorted by Greg McMahon. Both were Senior princesses. The Junior princess was Jeanne Schaefer who was escorted by Tim Turk. The Sophomore princess was Angie Rowton who was escorted by Brad Lackie.

After the game the queen, her court and everyone enjoyed a night of fun and dancing.

Ice Cream Social

This night is always very memorable for the Senior students. The main event during the evening is the announcement of the senior poll winners. Ice cream was also available with many different flavors.

We asked senior Erin Michie how she felt when her name was called for being a senior poll winner and she stated, "Me, oh gosh! I can not believe it."

Dan Shuster was asked to comment on what he liked best about the ice cream social and he replied, "Watching Jim Stanphill accept his award so graciously for best physique, also the ice cream was excellent."

We asked Sharon Wipf to describe how she felt at the ice cream social in 3 words and she said, "It was great!"

The Sting was the movie shown at the Social. All the seniors had a great and unforgettable night.

The Best Of Memories

1981-82 has been memorable for me because of the super people I have worked with during the year.

I would like to thank the Women's Varsity Basketball Team for giving me so many thrills and happy memories. I'll miss the Seniors - Karina Ludwig, Lisa Conner, Terri Blevins, Dolores Conlin, and Rhonda Cleveland - especially those early morning kidnap raids and those evenings planning meetings at our house. It has been three great years.

There has been one special person in the Senior Class that has contributed much to the spirit of Royal and to her class. She also has worked very hard to make the activities at Royal the best. She deserves a lot of thanks. Well done, Karen Abel.

I would like to extend my thanks to two special groups that I worked with for many hours this year. The first group, the Annual Staff, did a wonderful job putting together a beautiful yearbook for Royal High School. Kit McCann, Editor and Tracey Mele, Assistant Editor have worked so hard and diligently barking orders and pushing everyone to meet their deadline. Kit's ideas for the theme have been carried out throughout the book. She has been the catalyst for this book, and a good one, too. The second group that I enjoyed working with this year was the Highlassie Drill Team. The drill team was made up of 32 dedicated and hard-working young ladies. The drill team had its best year ever and I will surely miss the 1981-82 Drill Team. To the members I say, "Thanks for the memories." To the captains I say, "Thanks for all your hard work; you made the difference."

Good Vibrations

As Editor of the 1981-1982 yearbook, I wanted to have the theme represent something special. So after some research, I found that Simi Valley, before Royal High was built, was an exporter of the Sunkist Brand of oranges. Since the housing projects are springing up covering all our orange groves, I decided to pay tribute to the City we all know and love — Simi Valley. So I dedicated this yearbook to the old Simi Valley that I remember as a little girl. I will always remember it that way.

A lot of time and dedication have gone into this book. Also much yelling and tons of tears, TONS of tears, have all attributed to this book. There are many people I would like to thank, but most of all, Michelle Kellick, Sue Berry who both helped, and to my Assistant Editor, Tracey Mele, who taught me patience and kept me as calm as she could during those hectic deadlines. Thanks for your love and caring. To Mrs. Hatton, who has been like a Mom to me at school and who taught me to relax and not to get so upset over people who just didn't care what happened to this yearbook. Also to Melanie, who cared even too much!!

Above all of my friends, I would like to extend the greatest appreciation to my sister Pattie, who helped me through a lot and put me in my place when I really needed it. You were always there for every deadline helping me calm down. I love you a lot, you are the GREATEST!! To Mom and Dad, thanks for always staying up with me while I was so upset. Also, for understanding and caring when I was nervous or acting like an inconsiderate person. You still cared and loved me. I love you all so much, Mom, Dad, and Pattie. Good luck to all my friends in the Class of 82'! It has been GREAT.

Love always
Kit McCann, Editor-in-Chief

Wow!!! It's already time to sign our yearbooks, and I haven't told any of my friends how much I love them. I love you, friends!!! First off, I would like to thank Mrs. Barbara "my sinuses are acting up" Hatton. At first I really didn't know her, but now I **KNOW**. She's a funny lady and a great person to talk to. Just don't hit her on the head! Michelle Kellick, who wanted to be next in line as our CoCo Editor, and Hoa Nguyen, who sometimes doesn't know if she's here or not, I extend the appreciation that I have as they made my SENIOR year the best. In fact most of my friends here have made my life the best years so far. To Shauna Hixon, I will never forget all the many memories that we shared throughout our Royal years. Lisa Hargrove, and our many memories also, which I cannot mention in this type of book. To Elizabeth Finch, and our T.P.ing episodes at the other high school in Simi, and how the police caught us doing a Chinese Fire Drill. All these memories plus many more will I always remember. To any of my friends whom I have not mentioned I thank you all for the good and bad times, good and bad memories, and so on, and so on, and so on.

Since I am only Asst. Editor, and only get two paragraphs, I have to cut it short. I don't get three like Miss Kit, because **SHE'S** Editor — Ladeeda! But now it's time for thanking her. Without you Kit-Kat, I would never have had this position. I want you to know that I will always love you, in fact I love you THIS MUCH!!! I hope you will always stay my friend, because you mean the world to me. I would like to tell everyone that Kit can really be nice and that she isn't always so mad at everyone. She does care and maybe that's why she does get "overly excited". A very special thanks to my family for without them I wouldn't be here. But to Dad who always has something nice to say, even when I don't want to hear it, to Mom who has always been right — I really hate to admit that. To Jim, Jane, and Toni and to little Jr. who is soon to join us in August, thanks so much for all your love and concern. I love you all so much. Thanks. Also to my friends - Good Luck and love always!

Tracey Mele
Asst. Editor

Editor, Kit McCann, Editor and Mrs. Barbara Hatton, Advisor, standing in one of the last orange groves. Royal's Junior Varsity

Under the direction of Ms. Woolley, this year's Junior Varsity Softball Team mounted a 10-2 record and also were the Marmonte League Co-Champions. Hard work and long practices paid off for Royal, for they had a solid defense and offense. Jeannine Richards summed up the whole year by saying, "The team was close and had a lot of spirit. It was a great year!"

This year's Junior Varsity Baseball Team had an overall record of 13-7-1. They were the Co-Champions of the Marmonte League. They did a great job in representing Royal. Coach Tom Smailes says, "Although at times our performance was sporadic, this year's Junior Varsity Baseball Team was a pleasure to coach and enjoyable to watch..."

Men's Varsity and Junior Varsity had an excellent season this year. They won more than half their meets and each member contributed to the total excitement of the season. The coaches, Mr. Reyes, Mr. McCory, and Mr. Ubelhardt, were a tremendous help to all the players and spurred them on to many victories. Congratulations to you all.

Varsity

The Girl's Track team had a very successful season this year. Everyone really did a great job, and it all showed with everyone at least improving their times or winning an award.

The Girl's Track team worked very hard this year practicing everyday after school until 4:30p.m. and on Saturdays from 7:30 till 11:00 o'clock.

The Girl's Track traveled to Bishop this year by a chartered bus that they raised money for themselves. They held such fund raisers as a carwash, jog-a-thon, and a garage sale. All that work paid off when the girls placed second in the meet.

Golf And Tennis

Royal's Golf Team has done very well this year with a 5-5 record. Coach Don Funk states many reasons behind their success, "We are balanced, our sophomores have done very well, and Mike Schweitzer and Robby Larkin have been very consistent."

Coach McCamy is very proud of how both the Varsity and Junior Varsity Tennis teams performed this year. The Varsity Tennis Team finished fourth in League. The Junior Varsity were League Champions, a feat which has never happened here at Royal High.

Congratulations to all of you for a great 1982 season.

Swimming And Diving

Another exceptional year for the 1982 swim teams! For the second year in a row the Girls Varsity finished the season undefeated and were the Marmonte League Champions. Last year the Boys Varsity led for the championship, but this year they came through with an undefeated season to be the overall Marmonte League Champions. NICE GOING! It's pretty remarkable when three year's ago they finished in last place! Congratulations also to Brad Hermanson, Paula Snider, Tori Schroeder, Roberta Morton, and Rachel Colborn for being CIF qualifiers and finalists. Also, nice going to this years junior varsity boys and girls who finished second place in the Marmonte League.

This years divers were one of the strong points responsible for helping the boys and girls swim team win the Marmonte League Championship. In dual meets and the championship meet they scored more

points than any team in the league. The divers were led by their Coach Judy Line and captains Karie Najemnik and Frank Dekal. Congratulations to Frank Dekal, Mike Parlato, Joe Brunet, Karie Najemnik, and Jeannine Spiller for being CIF qualifiers!!

1982 Convention

The 1982 Convention was held in our Royal gym and was a convention enjoyed by all. The convention committee included Karen Abel, chairperson; Kathy McKenna, head of Delegates; Brenda Shores, Decoration; Jill Tolson, Floor Manager; Michelle Kellick, Publicity; Lisa Axelrod, Head Secretary; and Jesse Villafranka, Head Cops. They did an excellent job of organizing the convention. Each class showed their own spirit along with their theme: Seniors were punk pirates, Juniors were gangsters, and the Sophomores were beach bums. John Meser, former A.S.B. president of Royal was the 1982 convention speaker. All-in-all the 1982 Convention was a successful one.

Memories Are Forever!

The 1982 Prom was a very special evening for all seniors. The Prom was held at the Miramar Sheraton Hotel in Santa Monica on May 14. The Prom was filled with laughter, dancing and the joy of friendship. Everyone had a good time. The theme of the Prom this year was, "Memories of Our Lives".

These quotes sum it up the best! Tina Light said, "I thought the prom was pretty good. A lot of people I talked to said it wouldn't be that good and the food would be bad, but I liked it very much. I thought it was worth the money spent." Libby Loney said, "I feel that the senior officers did an excellent job. The prom had a terrific band and the food was great. The atmosphere of the whole evening was terrific. I hope all senior proms are as good as ours was." Sandra Spencer also added, "I feel the theme to the prom fit the setting exactly. I must say everyone involved in doing all the arrangements did an excellent job, but most of all I would have to thank Carl Moss, 'cause he is the one that made it a night to remember. I had a great time."

Crowned . . . Elizabeth Finch

1982 Prom Court

"Memories of my Life" was the theme for this year's prom. The senior prom is one of the most important events for Seniors at Royal. No one can deny that the Senior Prom is an exciting and entertaining night.

Students remembering the Prom, all agreed that it was a sensation. During the presentation of the princesses a little biography was told about each princess.

In the midst of the activities, Miss Elisabeth Finch was announced Queen. Her reaction was, "I felt that the Prom was the highlight of the year. The location was excellent and so was the band. It was an honor to be named Queen and I thank everyone who made it possible. The ceremony was very nice and all the princesses were beautiful."

The new reigning Queen, Elisabeth Finch, escorted by Andy Garcia, and her court of Mia Gilbert, escorted by Jeff Stivesend, Debbie Greene, escorted by Tom Smailes, Kit McCann, escorted by Jeff Thompson, Ginny McGinnis, escorted by Tom Ristau, added color and beauty to the 1982 Senior Prom.

After the presentation, everyone had an evening full of eating, dancing, and entertainment. All-in-all, the evening was a great experience.

Opposite Page: Kit McCann salutes to all during her last meal at Royal. Below: Tammy Murphy and Tracey Mele used the Senior Breakfast as a good chance to sign year-books. Bottom Left: Jill Tolson and Earle Hansen seem to be having a sober conversation about the food. Bottom Right: Michelle Kellick seems to be enjoying her breakfast as well as her last day at Royal High.

Senior Breakfast

The Seniors of '82 had many Senior activities throughout the year. The last week of school for Seniors included: finals, Senior Awards, Baccalaureate, Senior Dinner, Senior checkout (oh those fines!), and the Senior Breakfast.

The Seniors had quite a good selection for breakfast this Wednesday morning. Even though there was a late start, the Seniors agreed the wait was worth it. This breakfast afforded members of '82 a last chance to visit and sign annuals. A feeling of excitement and anticipation permeated the MPR. The Day had arrived! The Seniors were finally leaving.

Graduation Day

It was the "Best of Times" for the Class of '82. The weather was beautiful. Family and friends were present. Classes were finished and the fines were paid. Dignitaries actively participated in this Graduation Ceremony. The Class Officers as well as Senior Student Speakers Lisa Axelrod, Stuart Ackerman, Steve Richards, and Mary Larkin added to the enjoyment of the evening. But the magic of the night occurred when the Seniors turned their tassles, and the tears of the ceremony came as the Seniors sang the Alma Mater together for the last time.

Opposite Page: Erin Michie received sincere and warm congratulations from Dr. Stephens. Below: Mrs. Jennifer Leonard was chosen by the class as their Faculty Speaker. Her speech was appropriate and impeccable. Bottom Right: Kim Krantz and Debbie Antillion gave each other a good luck hug before they received their diplomas. Bottom Left: Seniors were awaiting the signal to go up on stage to receive their diplomas.

P. S.

Due to the resignation of two A.S.B. officers, two very hard-working people were selected by the A.S.B. cabinet to take over the offices. Senior Kit McCann was appointed Vice-President and Junior Russ Havens was appointed Director of Student Services. These two dedicated people worked diligently at their posts during the second semester.

The year 1982 also brought some newcomers to the Royal family and so we have included them in this supplement since they promised to show their HIGHLANDER SPIRIT for the next 18 years and be members of the first graduating class of the 21st Century.

Below: Kit McCann and Russ Havens clowning around for pictures.
Bottom: Future Royal graduates include from left to right, Elise Lobenstein, Brian Lipman, Katie Hatton, and Kelly McCamy.
